TEN CENTS

County Awash, Crops Great!

WATER IN ABUNDANCE rushed down Canyon streets and into this intersection at 14th St. and 6th Ave. Tuesday. A total of 2.28 was

officially recorded for the rains that began Sunday and continued to fall early Wednesday morning.

CONSTRUCTION WORK continued at 15th St. and 5th Ave. earlier this week although rain was falling. The motor grader was forced

to make extra trips moving the dirt from side to side because of the pools of water that were forming on the street.

Farm Outlook Finest In Years

Randall County farmers looked to future wheat production today with a new hope as 2.28 inches of moisture fell on the countryside.

Value of the moisture that has been falling since Sunday cannot be measured in dollars and cents, Randall County Agent John Brazzil said.

"I can't think of a thing the rains won't help," he said.

There has been little wheat sown thus far, he said but when the fields dry, planting can begin.

"All of Randall County has shared in this moisture and this in itself is unusual. We generally get good spotted moisture around this time of the year, but none that will benefit everyone," he went on.

"We're ready to start planting wheat and the moisture in the soil is excellent for it.

There will also be a difference in the price of cattle since the rains that fell," he said.

Donald Lloyd, office manager for the Agriculture Stabilization and Conservation Service, said he would estimate 155,000 acres in wheat allotment for the County, which includes two 15 per cent increases over last year.

There was 117,000 acres (See WHEAT, Page 6)

Trial Begins Monday

A special venire of 199 persons has been called in Denton for the trial of William Bond Clifford.

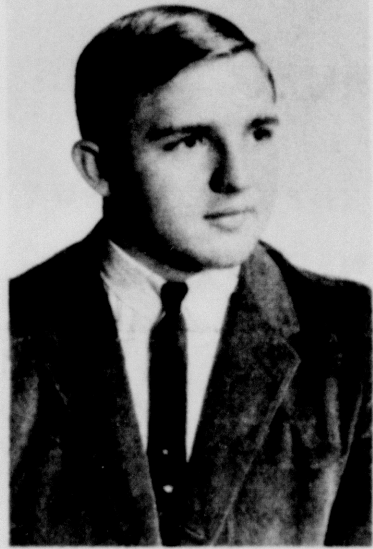

Clifford goes on trial Monday charged with murder with malice in the Good Friday shooting death of his estranged wife, Carol Shirley.

The trial begins at 9:30 o'clock Monday morning with the selection of a jury.

Randall County Criminal District Attorney George Dowlen will leave Sunday for Denton. The state will seek the death penalty.

Change of venue from the 47th (See TRIAL, Page 6)

Canyon Boys Shot In Affray

GARRE REED

NEAL THRASHER

Reed, Thrasher Remain Critical

Two Canyon youths who were shot in a row at a teenage night spot in Amarillo on Saturday remain on the critical list at St. Anthony's Hospital in Amarillo.

Wounded were Neal Edward Thrasher, 19, son of Mr. and Mrs. T.W. Thrasher, and Garre Philip Reed, son of Mrs. Billie Johnson, of Canyon.

The incident occurred outside the Checkmate Club 4816 E. Amarillo Blvd.

Charged with the shooting was James E. Daniels, 21, of 316 S. Georgia in Amarillo. Daniels is being held in Potter County jail in lieu of \$10,000 bond. Bond was set by Justice of the Peace Bonita Potter. Reed was shot three times

in the stomach and once in the groin and Thrasher was wounded in the forehead. Thrasher is feared permanently paralyzed.

Wednesday afternoon, Bill Johnson, step-father of the Reed boy reported that "there is some improvement. He will be in the intensive care unit 5-10 days. It is a matter of time and healing now. And being under constant care."

On Wednesday Reed had been allowed to sit up, but still remained on the critical list.

Also on Wednesday Mrs. Thrasher reported that her son's condition "seems to be improved. He knows me when he is conscious, but they put him right back to sleep. He can't stand it. He is still paralyzed in the left side."

According to Mrs. Thrasher, Neal "hasn't given up. He is going to fight. He says 'I've got to get out of here, I've got four more days until school starts. I've got to go to school.'"

Thrasher is packed in ice to reduce high temperature. No indication has been given of how long he will remain in the intensive care unit.

Lt. Charles Hollis of the Amarillo Police Department Detective Division gave this report on the incident:

An airman who was with Daniels in the Checkmate Club told police that Daniels told him a couple of guys he had had

(See CANYON, Page 6)

CHS Tickets Available

The Canyon Eagles open the 1966 football season at Buffalo Bowl on September 9 when they will meet the Phillips Black-hawks at 8 p.m.

Season tickets for the CHS football games are on sale through Friday, August 26, according to Johnny McBroom, president of the Eagle Booster Club.

Tickets, which may be used for the five home games, will be \$7.50 for the season. In other home games, the CHS Eagles will meet Spearman on September 23; Hereford on October 21; Perryton on November 18.

Homecoming has been set for October 21, when the Eagles meet Hereford.

Out-of-town games for the season will be in Levelland on September 16; Vernon on September 30; Tucuman, New Mexico on October 7; Dumas on October 28; and Muleshoe on November 11.

ANXIOUS RELATIVES and friends gathered in the waiting room at St. Anthony's Hospital in Amarillo hoping for word from Reed and Thrasher. Both victims of the Saturday shooting are in the Intensive Care Unit.

Commission Approves Budget For County

Randall County commissioners Monday approved a budget of \$922,718.40 for 1967 at a regular meeting of commissioners court.

Resources of \$1,256,337.22 also were listed in the budget. Public hearing for the budget is to be held at 2 o'clock the afternoon of Sept. 12 in the regular commissioners court room in Randall County court house.

Possible amendment of the budget next January was agreed upon by the court.

Bill Butler, commissioner of Precinct Four, seems to be the other three divisions in the

county as his receipts are the highest with \$179,609.02 and the lowest disbursements of \$93,099.29. Estimated balance of the Butler precinct is \$86,509.73, which is \$58,656.06 above Precinct One.

The largest money estimated for collection is \$175,000 for motor vehicle registration and commissioners will spend \$130,000 for road construction during the year.

E.L. Booch, probation officer

for the 47th Judicial District, which includes Randall, Armstrong and Potter Counties received permission to add \$234 more to his budget over 1965. Randall County's portion of the expenditures will be \$10,662.06.

He said there was an increase in expenditures on office equipment and that the department needed another officer. The load of work in his office has increased "considerably" since

(See COMMISSION, Page 6)

Encephalitis Case Is Reported Here

A Canyon woman is listed in good condition at Neblett Hospital and Clinic following a reported case of encephalitis, an inflammation of the brain caused by mosquitoes.

Mrs. Betty Stoker of 2614 9th Ave. may have contracted the disease while on a recent vacation excursion her local physician said.

Dr. G. Mason Kahn, director of the Amarillo Bi-City-County Health Unit, said four encephalitis cases had been reported in Potter County but Mrs. Stoker's was the first for Randall County.

"We're scared to death of the rain," he said, "and we will have to go to work again after the rains are over and continue our control program."

Archie Davis, head of the city sanitation department, said the mosquito fogger had been run every day and some nights not many weeks ago and "we will run day and night again to stop them."

Process for spraying usually

includes fogging the city every other day for three days after a heavy rain.

The department has been dusting at night in the hope of killing the insects in their larva stage and has been treating stagnant water with chemicals during the day.

Samples of a pellet containing an insecticide and diesel oil were also furnished by the Amarillo Health organization and were dropped in the standing water.

Dr. Kahn said his group would "advise and help in any way it could when consulted."

Gary Gwyn, Canyon city manager, urged that all property owners cut grass and weeds on their property and report any stagnant water so it can be treated by the city.

He said a "home remedy" that could be effectively used is to pour a small amount of oil into the stagnant water, thereby preventing the larva from hatching.

Evaluation Reversed On Residential Lot

Canyon City Commissioners, meeting Monday at City Hall, partially reversed evaluations made earlier in the year by the city's equalization board.

Property at 307 21st St. which had been taxed as commercial property was changed to residential taxation at the request of Mrs. W. E. Parker.

Mrs. Parker, who resides at this address, indicated that the property (a lot which adjoins the Parker home) was taxed at \$100 per front foot, the commercial valuation, rather than at \$20 per front foot, tax schedule for residential property.

The equalization board, composed of Dick Dawdy, Jim Christopher and Dr. Dudley Moore, has set total value on her home, garage and land at \$24,876. On the land, which was valued at \$15,000, the board was charging \$100 per

front foot. The city council voted to charge only \$20 per front foot as she was still residing on the property making it residential and not commercial.

Mrs. Parker cited three houses across the street from her where land was valued at \$1,000 and said she could not argue if her's was kept at the same rate.

She gave a capsule history of the change to commercial zoning along 4th Ave. and said the commission at that time had promised that no service stations, drive-ins or anything "obnoxious" would be allowed on the avenue.

Speaking of her business on the corner of 5th Ave. and 16th St. on which she was also protesting a tax hike, Mrs. Parker said, "the building across the street gets 50 per cent depreciation and it is structurally sound and I only get 40 per cent

PROTESTING a tax evaluation of her property to City Commissioners Monday evening was Mrs. W. E. Parker. She contended a city equalization board had evaluated her home at commercial rates rather than residential. Commissioners agreed and reversed the board's decision. With Mrs. Parker was her son, Mike Morris, local insurance agent.

Schools Expecting 2,600 Enrollment

Some 2,600 students are expected to be enrolled in the four schools of the Canyon Independent School District during a two day registration, Friday and Saturday.

"It is important that all students register at their appointed times," said Huey Laycock, superintendent of schools.

All students will register at the schools they will be attending during the fall said Laycock. Teachers of the four schools (Canyon High School, Canyon Junior High, Rex Reeves Elementary and Gene Howe Elementary of South Amarillo) will convene this morning, Thursday, at 7:30 a.m. at the CHS cafeteria for a general meeting.

All elementary students are scheduled for registration on Friday at the schools they will be attending according to the elementary principals, Oscar Hinger and Luther Lawless. Students with last names A through K will register between 8:30 a.m. and 12 noon and students L through Z will register between 1-4 p.m.

Elementary students will register in the home room where they have been assigned and lunch tickets will be available at the time of enrollment. Lunch ticket prices for grades 1-3 are \$6 for a 20 meal ticket or 30 cents per meal. Tickets for grades 4-6

JAMES E. DANIELS

will be \$7 for a 20 meal ticket or 35 cents per meal.

A majority of Canyon Junior High School students have been pre-registered according to Easton Wall, principal. Enrollment for junior high pupils will be conducted both Friday and Saturday according to Wall.

Ninth grade (freshman) students will register between 8:30 a.m. and noon Friday. Students in the eighth grade will register between 1:30 and 4:30 p.m. Friday afternoon and seventh grade students registration will be conducted Saturday morning between 8:30 a.m. and 12 noon.

Junior High students will have an activity fee of \$2.25 to pay at the assistant principal's office during registration. If at all possible, one parent of each seventh grade pupil is urged to come to sign the census

(See SCHOOLS, Page 6)

By the time a "conservative" gets through reading the daily newspaper it is so mangled that no other member of the family can read it.

Letter To The Editor

THE GARDEN

Beauty is a Garden,
That wears its garments well;
To speak of calm delight,
Golden shade, and fickle grati-
tude.
It whispers with the lips of
truth,
Fresh from the lowly elements,
Mixed by love and chance.

Beauty raises its fair head at
last.

To thrill the hearts of those,
Whose gallant yearnings,
Dared to brave the sun and sand,
Train the vine, revere the bud,
And give that ever watchful
care.

Beauty is a Garden.

Written for The Canyon Garden
Club by Joe Frank.

Capers Cancel Regular Dance

Canyon Capers, local square
dance club, has cancelled the
regular dance on Aug. 29 due
to a special dance which will
be held in Amarillo by the
Dandy Dancers.

Guests at Monday's dance
were from Arizona and Colo-
rado.

OSCAR HINGER, right, of the Canyon Lions Club, presents a "good guys" white hat to Raymond Raillard for his work with the Pioneer Amphitheatre production of "TEXAS". Raillard is executive vice-president of the Texas Panhandle Heritage Foundation which is

presenting the outdoor drama in Palo Duro Canyon. Presentation was made at intermission time on Sunday evening when Lions Club members from District 2T-1 attended the drama following meetings at West Texas State and a barbecue in the canyons.

John Brazzil

County Agent's Column

The slow gentle rains of the past few days have restored moisture-short Randall County to a position of optimism and promise. The total land area has shared in the benefits. Some few areas are still in need of additional rain to hasten along the grain sorghum crop and to restore the scant moisture on range and pasture lands.

Wheat is receiving much attention at this time. Larger allotments, strong market prices, and good early planting moisture all indicate favorable conditions for wheat. Much of the fall sown wheat will be seeded on summer fallowed acreage. Moisture accumulations from summer rains plus the recent moisture should put wheat producers in near perfect condition.

August sown wheat produces early pasture. Early planting also produces extra top growth which depletes subsoil moisture reserves. Early sown wheat is also much more likely to suffer from wheat streak mosaic, a virus disease, which caused some yields on irrigated wheat to be cut in half in 1966.

Tascosa wheat is the one variety of wheat that has helped this area of hard red winter wheat production to maintain a good reputation for excellent milling wheat. Other varieties such as Caddo are not far behind. Medium strength wheats such as Kaw, Wichita, and Triumph have acceptable quality when produced on dryland but have inferior quality under irrigation.

The application of nitrogen to irrigated wheat is a standard

and profitable practice. On the Pullman soils no yield difference has been observed or measured when nitrogen was applied all preplant, half preplant and half topdressed in February, and all topdressed in February. The wheat on these research plots were not grazed.

If a soil test indicated a need for phosphorous, this phosphorous should be applied at or before planting.

A shortage of moisture on the ranges and pastures of Randall County has hampered the cattle industry all year. Calf weights could be a little lighter than usual. The recent rains will cause the native grasses to have some good fall growth, and will give a boost to the roughage crop which is a critical factor for winter herd maintenance. Conditions are shaping up well for a good run on wheat pasture. Planting moisture is generally good. One good rain after seeding and the fall pasture run is underway. The prices on most all classes of livestock remain good to strong.

Most lawns have emerged from the long hot summer in fair condition but they now need a good application of fertilizer for fall growth. I was lucky enough to apply a good covering of fertilizer in the form of ammonium sulphate (21% nitrogen and about 25% sulphur) to my bermuda lawn on Saturday just before the rains started. Enough of the material was applied to supply one pound of actual nitrogen per 1000 square feet. Other good lawn fertilizers are available. The yellow coloration is a result

of iron as well as nitrogen. Combinations of the two elements make an excellent top dressing at this time.

Powdery mildew is showing

up on ornamental plants such as roses, etc. An old reliable treatment is dusting sulphur. Sulphur should not be applied to vine crops such as melons, cucumbers, and squash.

First Assembly of God Church

OL5-3000 2318 13TH AVENUE OL5-4448

CANYON

TEXAS

PASTOR
A. J. PETTIT

SUNDAY, AUGUST 28

AN OPEN LETTER OF THANKS...

Dear Friends:

Sunday is the Dedication Day of our new Church building. May I congratulate you, the people of First Assembly, on this tremendous step of progress. Thank you for all your long hours of work.

The building has been completed, you have given sacrificially of your time and finances to see the work of God progress. Thank you so much for all your hours of labor. Your loyalty and vision constantly encourages me. It is a privilege to be your pastor and to work with you in our wonderful city of Canyon. First Assembly has had progressive growth because of you and your interest in other people who are unchurched in the city.

My prayer is that we will continue to remain a church where "all the Gospel is preached for all people". Thank you for your desire to see our church grow. May the work at 2318 13th Ave. reach more people for Christ in the future as a result of your love for others.

Sincerely yours,
A. J. PETTIT, Pastor

Area Lions Conduct Session In Canyon

Lions Club members from throughout the Panhandle were present for the luncheon in Canyon Sunday, August 21, to conduct a cabinet meeting for District 2-T1.

The general sessions were held at West Texas State University with W.L. 'Preach' Edelman of Friona, district governor, in charge of opening the morning session. Edelman also gave an outline of cabinet duties during the morning session as the program was filled with financial reports and proposed budgets for the coming year.

It was announced that an International Essay Contest on "World Peace" would be held during the 1966-67 club year. Young people between the ages of 14 and 21 would be eligible to enter and first prize will be \$25,000.

Dismissal of the morning session came at 10:30 a.m. so that visiting guests could attend local churches of their choice. Afternoon business sessions were conducted following a noon luncheon in the college cafeteria.

Sixty-eight members were present for the luncheon in the East Dining Hall on the Campus of West Texas State University. Special guest for the luncheon was Dee D. Miller of Amarillo, former Potter County District Attorney. Miller gave the invocation.

During the afternoon business session, it was announced that Pampa Lions will host the mid-winter conference and cabinet meeting and Dumas will play host for the Spring District Convention to be held April 21-23. Wives of cabinet members were given a tour of the Panhandle-Plains Historical Museum during the session.

Following adjournment of the general business session, 225 members of Lions Clubs in the Panhandle and their wives were served barbecue dinner in Palo Duro Canyon and sat en masse at the outdoor production of "TEXAS" in the Pioneer Amphitheatre.

Mr. and Mrs. Art Roberts of Canyon served as host and hostess for the occasion.

W.L. EDELMON of Friona, District Governor of Lions International presided at a cabinet meeting held Sunday at West Texas State University. Representing Canyon Lions Club, was George Dowlen, Randall District Attorney, left. Pictured right is Dee D. Miller of Amarillo, former Potter County District Attorney, a special guest at the luncheon.

Putting Winners Are Announced

Porter Vaughn and Jack Ziegler captured first place in the "putting tournament" held last Thursday at the Canyon City Club.

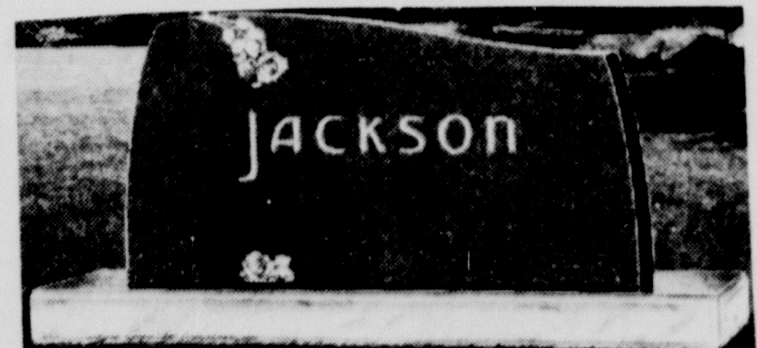

Second place honors went to Larry Daniel and Sis Deeds. Winning third place were Joe Ziegler and Rusty Williamson. Regular putting tournament will be held tonight, weather permitting.

JCs Hear Pastor's Program

Rev. Charles Meredith, pastor of the First Christian Church of Canyon, was guest speaker at Tuesday's meeting of the Canyon Junior Chamber of Commerce.

Rev. Meredith addressed the Jaycees on the topic of a new youth center and all-purpose building planned for Canyon's future. The Jaycees discussed the topic following the program.

Teachers Study New Geography Textbook

A special pre-school workshop in teaching of the new textbook in geography was held for all third grade teachers of the Canyon Independent School District Monday morning at the Rex Reeves Elementary School in Canyon.

The morning workshop explored the newly adopted book "Ways of Our Land" and methods of developing concepts presented in the book were discussed by Mrs. Sarah Smith, educational consultant from Silver Burdett Company, publishers of the textbook.

Mrs. Smith utilized an overhead projector, tape recorder, handmade and commercially prepared charts and posters and

other materials as she outlined the textbook. Special attention was given to various methods of meeting the special needs of many types of children.

The new textbook covers all geographic areas of the United States. The first unit of the book begins with the study of the Massachusetts seacoast and other units include an introduction of Washington, D.C. and Old Williamsburg, Florida and Mississippi. Additional units include an exploration of lumbering, coal mining and dairy farming industries as well as study of a primitive culture of the Navajo Indians in Arizona and New Mexico as well as units on transportation.

Local teachers attending the workshops were Georgia Guinn, Carolyn Wertenberger, Molly Edwards, Renee Duncan, Sandy Fort, Gene Morris, Martha Goodman, Erlene Moreman and Isabel Cousins.

Had a party? Or giving one? Tell The Canyon News about it. Telephone OLS-2141, or stop by the News office on the west side of the square.

REPRESENTING RANDALL County at the Texas Youth Conference in Austin were from left, Roger Gist, Robert Olsen, Crosby Hammons, sponsor of the group, Mickey Abbott and Bob Gruner.

Five CHS Youths Attend Conference At University

Five Randall County youths were among 1,300 outstanding youth leaders from throughout Texas which gathered this past week in Austin for the fourth annual Texas Youth Conference.

They are Roger Gist, Robert Olsen, Mickey Abbott, Eugene Bond and Bob Gruner. Accompanying the Randall delegation was Crosby Hammons, deputy and dispatcher for Randall Sheriff's Department.

Held on the campus of the University of Texas, the conference is under the sponsorship of the Texas Law Enforcement and Youth Development Foundation of Austin.

Sponsor funds for the trips by local youths were given by various civic and business groups of Canyon. Gist, son of Mr. and Mrs. R.B. Gist, Jr. of Canyon, was sponsored by the Canyon Rotary Club, Olsen, son of Mr. and Mrs. Kenneth H. Olsen, was sponsored by the Canyon Kiwanis Club, Farm Bureau of Canyon sponsored the trip for Abbott, son of Mr. and Mrs. Ferrell Abbott, and the trip for Gruner, son of Mr. and Mrs. Forrest Gruner, was

sponsored by the Canyon Jaycees.

Also attending the conference from Canyon was Eugene Bond, son of Mr. and Mrs. Eugene S. Bond of Canyon. Bond served as a junior counselor for the conference this year. Bond's trip funds were furnished through joint efforts of the Canyon Study Club and the University Study Club.

Conference sessions emphasized teen juries, tutoring programs for combating sixth

grade dropouts, and community service for youth this year. A number of new films on youth problems were shown. The films are also available to local groups through the conference.

The program, in its fourth year, involves over 250,000 Texas young people and this year attracted delegations from four states who attended to gather material for organizing similar conferences.

Many law enforcement officers credit the Texas Youth Conference with playing a major role in the 7% reduction of juvenile crime in Texas in 1965.

Austin attorney Robert T. Davis serves as Director for the Conference.

Transportation to the meeting was provided by T.S. Stevenson, Jr.

Miss Wheelock Is Contestant

Mary Ann Wheelock represented Canyon in the 1966 Wheatheart of the Nation contest held Saturday evening in Perryton.

Winner of the contest was Sherrie Murphy, 17, of Stratford with Donna Ketter of Throckmorton as first runner-up. Second runner-up in the contest was Marva Rogers of Perryton.

Other finalists included Janelle Jett of Springfield, Colo., and Ethel Mabry of Petersburg.

Selected by the 26 contestants as "Miss Personality" was Becky Brewer of Wellington.

The 1966 Wheatheart will leave this week on an expense-paid trip to the Canadian National Exhibition in Toronto.

Farewell Fete Held

Miss Anne McManigal was honored with a farewell coffee recently in the John Butler home at Happy.

Miss McManigal will leave this week for Pico Rivera, Calif., where she will teach fourth grade in the El Rancho Unified School System. Miss McManigal has taught four years at Springlake-Earth schools.

Co-hostess for the occasion was Mrs. D.L. Allison.

Miss Oatis Dies, Rites Conducted

Funeral services for Miss Aline Amelia Oatis, 51, were conducted late Tuesday afternoon at LaGrone Funeral Chapel in Canyon.

Miss Oatis, who was born May 19, 1915 at Hale Center, had been a long-time resident of Canyon. She formerly lived at 1407 Eighth Avenue in Canyon until about six months ago when she moved to the Abilene State School in Abilene where death occurred Sunday, August 21. She was a member of the Methodist Church.

Services at LaGrone Chapel Tuesday afternoon were conducted by Rev. Jerry Franz, director of the Methodist Student Center at West Texas State University. Interment was at Dreamland Cemetery under the direction of LaGrone Funeral Home.

Pallbearers were Jim Christopher, R. E. Barnard, J. D. Byrd, H. R. Fulton, Jr., Bob Anderson, and Marion Higdon.

Surviving Miss Oatis are four sisters, Faye Oatis of Canyon, Mrs. Earl Brandt of Amarillo, Mrs. Byron Durham of Hereford, and Mrs. Gordon See of Los Angeles, Calif.; and two brothers, Tom Oatis of Amarillo and Edmond Oatis of Phoenix, Ariz., and a number of nieces and nephews.

Buying? Selling? Use the classified advertising pages of The Canyon News. Telephone OLS-2141.

Elementary Learning Important To Future

Helping your child to take the "first big step" into the world of education is considered even more important than preparing him for the "second big step" which would take him into college.

"It is at the beginning that learning to learn, on which all education is based, actually starts," says Oscar Hinger, principal of Rex Reeves Elementary School.

Cultivation of our greatest national resource--the youth of the nation--will be resumed shortly with the re-opening of schools and colleges for another academic year of learning. Substantially more than one fourth of the total population of the country will be actively engaged in the education process including some 2 million teachers.

The school boom has become a boom to business and is rapidly becoming one of the nation's most productive industries.

More than 49 million children, between the ages of 5 and 17, will be enrolled in elementary and high school

classes in public and private schools this fall.

More than 5,800,000 will be going to public and private institutions of higher learning, the colleges and universities. According to the U. S. Office of Education, some authorities believe these figures to be conservative.

Add the uncounted number of adults who will be going back to classes this fall for re-training in new skills or to keep in step with the demands of their supervisory and management jobs and it is safe to estimate that about one half of the population of the country will be involved in the "education explosion".

In all schools, the development of a vast variety of learning machines is being utilized to save teachers more time for personal attention to individual students. The revolution in "learning machines" is transforming the things students learn in schools and colleges,

and even more dramatically, in the ways they are taught.

The revolution is having a major impact on the American economy and education, already a major industry, is expected to become one of the nation's largest in less than a decade.

There are more Americans than ever before and more of them are spending more years in the education system. Education seems to be becoming a lifelong process.

Elementary schooling is where the learning disciplines are acquired.

High School is where a broadening of perspective occurs, and sometimes is focused into a specific area of activity.

College is where the "men of tomorrow" are separated and prepared for their careers.

These are the things parents should ponder as they move to make their children--of all ages--ready for the return to school this fall.

Attend National Convention

Three delegates from Iota Xi Chapter of Lambda Chi Alpha fraternity will be attending the 30th Biennial convention being held in French Lick, Ind.

Representing the West Texas State University chapter will be Claiborn Crain of Canyon, Curtis Downs of Panhandle and Marshall Gordon of Pampa.

The delegates will leave today for the meeting which opens on Saturday. Sessions will continue through Aug. 31.

Downs, who is rush chairman for Iota Xi, will participate as a member of the national degree team which conducts fraternity rituals at the convention. He is the first member of the WT chapter to serve in the capacity. This will be Downs second trip to a national convention.

CHILDREN'S STORIES may be the highlight of Jerry Allen's first year at school and his mother, Mrs. Charles 'Chuck' Allen, has prepared him for the "first big step" in education which will be laying the foundation for many years of future learning throughout high school and college years.

Testing... 1-2-3-

1. Take a lighted cigarette.
2. Hold a match flame in path of smoke.
3. Watch smoke disappear.

This simple test shows why GAS cooking is cleaner. The flame consumes smoke. It means you can enjoy smokeless, closed-door broiling with GAS. Put a modern GAS range to any test. You'll find it can't be equalled.

The flame GAS MAKES THE BIG DIFFERENCE... COSTS LESS, TOO!

SCHOOL IS STARTING

And this 3 Bedroom home is close to both the high and elementary schools. It has 1 bath and 3/4 and a wood car garage. Buy the equity and assume the loan.

Need a 4 bedroom home some time? We have one that the 4th bedroom can double as a play room, or sewing room or almost anything. It has 2 1/2 baths, a kitchen, a living room, a living room-den and lots of storage.

DO YOU KNOW THAT YOU CAN BUY A LOT ON TIME?

The question is will you buy it in time. Place a small deposit on the lot of your choice and make payments to suit your budget. There is a new street in Pioneer Estates that would be a lovely site for your future home. Come in today and let us explain how one of these lots could become the down payment on your home.

Buy the equity and move in this 3 bed room brick home on the growing east side of town. 1 3/4 baths, built in stove and oven, 2 car garage, lots of storage, fence and yard is in. Call for an appointment.

Lovely New Home in Pioneer Estates. Refrigerated air, storm windows, electric kitchen, fire place, 3 bedroom, bath, 2 car garage, built in stove and oven, and living room-den and lots of storage.

Do you want a home in the \$12,000 to \$16,000 price bracket? The house shortage in Canyon can slow you down but it can't stop you. If you can't find what you want we can help you get it built. In this price bracket we can obtain a loan with a very low down payment (as little as \$200 in some cases) We can furnish lots for you to build on that need not be paid for till the house is finished. Arrange for plans and construction. If you want a home, talk to us about it. It costs you nothing to learn what you can do.

PRICE DRASTICALLY CUT: Owner will sacrifice a \$6,000 equity for only \$1,000. Near Elementary School and University. You must see this to believe.

THE PRICE IS DOWN: Only \$17,000 will now buy 13 1/2 acres of land, good 3 bedroom and 1 1/2 bath home, with good water and quonset barn.

PRICED FOR A QUICK SALE: Good two bedroom stucco home in excellent condition near Junior High School, with large usable basement. Payments are only \$50.00 per month.

For Sale: 1965 Jet Star 88 Oldsmobile, air conditioned, power steering and brakes. \$2,595.00. OL5-2014 after 5 p.m. tfc-15

ORDINANCE NO. 300 SECTION 17-105 OF PART TWO OF THE CODE OF ORDINANCES OF THE CITY OF CANYON

AN ORDINANCE OF THE CITY OF CANYON, TEXAS, TO BE DESIGNATED AS SECTION 17-105, AN ADDITION TO PART TWO OF THE CODE OF ORDINANCES OF THE CITY OF CANYON, CHAPTER TWO, I.

Where no special hazard exists that require lower speeds, the speed of any vehicle of not more than 55 miles per hour shall be lawful between a point where Eighth Street joins U.S. Highway 60 along U.S. Highway 60 to a point where U.S. Highway 60 joins the North City limits of the City of Canyon.

Where no special hazard exists that require lower speeds, the speed on Spur Number 48 shall be unlawful if it shall exceed the speed of 30 miles per hour from U.S. Highway 87 to the East to Twenty-sixth Street and 45 miles per hour from Twenty-sixth Street to a point where Spur Number 48 intersects with State Highway 217 at a point approximately at the East City limits of the City of Canyon.

Passed and approved by the City Commission of the City of Canyon, on this 22 day of August, 1966.

Paul E. Lindsey
Mayor

ATTEST:
Johnny W. Janak
City Secretary

Schools...

(Continued from Page 1)

registration card.
Canyon High School students will report to the school commons area for their first instructions and procedures will be explained at the opening of each registration session at the auditorium.

Seniors will register between 8:30 and 12 noon Friday morning according to Hobart McDonald, high school principal. Registration for juniors will be held between 1:30 and 4:30 p.m. Friday afternoon. Saturday morning registration will be conducted for sophomores between 8:30 and 12 noon.

A \$1.50 student activity fee will be required of high school students at the time of registration. Past due accounts from the 1965-66 term will also be due at the time of registration according to McDonald.

All new students must provide a transcript of previous school records, a birth certificate and a doctor's certification of smallpox-diphtheria immunization.

Classrooms will officially open for the academic year on Monday, Aug. 29. With the opening of classrooms will come the opening of the cafeterias at each of the schools, and bus service to the schools.

Senior pictures will be taken Aug. 26-27 at the high school according to McDonald. Sophomore pictures were taken last week at Brittain's Studio in Canyon and junior pictures are scheduled this week, Aug. 22-23, at Brittain's Studio.

RCSP Wins Trophies

The Randall County Sheriff's Posse took a second place trophy in the parade at Dimmitt last Thursday evening with eleven riders participating.

Activities also included a barbecue and rodeo at the Dimmitt event.

Saturday and Sunday, the RCSP entered a pony express tournament sponsored by Rolling Hills Riding Club of Amarillo. The RCSP team rode against the Range Riders of Amarillo Saturday night and rode against the Rolling Hills Club Sunday afternoon. In both events, the local riders won first place.

Evaluation...

(Continued from Page 1)

structure, she said, should be about ten more years.

Mrs. Parker contends her building should be taxed less than those of sounder structures because "when I go for a loan, I can't get it because the store is made of adobe."

City Manager Gary Gwyn explained that the board figured the square feet of a building times \$6 at a percentage of depreciation. That figure plus one-half the land value constitutes the basis for taxation.

Gwyn also explained that the board could not possibly go throughout the city and make a complete reevaluation study and that former Tax Assessor-Collector Burney Slack had pulled the cards on her property at random.

"I have three pieces of property--why did they pick on me if you don't have time to go through the city," Mrs. Parker asked.

"You are making our cost of living higher than people with fine homes," she continued.

She said in 1960 when the avenue was rezoned to commercial from residential the city commission at that time had promised that the taxes would not be raised until the property was put into commercial application and, "on some the promise had been kept and on mine it hasn't."

"I don't know how a commission could make a promise to you for a future commission to uphold," said Mayor Paul Lindsey.

With Mrs. Parker as she presented her "case" to the commission was Mike Morris, her son.

The problem of drainage on a newly constructed street at 17th St. and Creekmore was also discussed with the commission by Bill McMorries, consulting engineer of Amarillo, and Aubrey Crossland, Canyon developer.

McMorries suggested alternatives which included a storm sewer from Creekmore to the creek which would cost \$9,022; removal of a portion of 150 feet of the concrete which would cost \$2,260; or purchasing the lot where the water is washing the dirt away which would cost \$4,640.

Crossland said he would go along with whatever the commission ruled, but would like to keep possession of the lot where the erosion was occurring.

"If you'll engineer it to take water, I'll take care of it if there is any water problem after that," he said.

Gwyn explained that the crown of 17th St. is flat and, as it is lower, water spreads to the center of the intersection. When it comes into the intersection with force, the water jumps the curb on the north side and is cutting the dirt out on Crossland's lot.

The commission agreed to permit McMorries to construct a sidewalk around the lot and to pay for 3,000-odd brick and installation whenever Crossland gave the "go-ahead."

McMorries will also make allowances for dirt that is to later be hauled in by Crossland. The engineer said he would pay all costs of the project.

Two members of the city's zoning commission met with the commission to discuss a proposal by Dallas city planner, Marvin Springer, concerning a rezoning of a portion in the northern section of Canyon.

In a letter to Gwyn from Springer, the city planner stated he was not in favor of rezoning two large blocks of residential area.

The letter read, in part, "After examining the area, it appears unlikely to me that the large number of houses in the area would be removed and replaced with commercial or industrial uses if the zoning was changed. Substantial unused industrial zoning exists on the north side of the Santa Fe Tracks along US Highway 60's frontage, which is far more desirable for industrial or commercial use than the area under consideration."

"To zone the entire area requested, commercial or industrial would likely result in a few scattered lots being used for secondary commercial uses and creating serious intrusions into the housing which would result in further deterioration of the older units and serious blighting of the better houses."

Springer suggested zoning the lots adjacent to 15th St. commercial from second avenue to the tracks and leave the rest of the area in the dwelling classification.

Lindsey presented a copy of the letter to Roland Black, chairman of the board, and Dale Killingsworth, saying, "you might like to present this to your board and postpone a

decision until later."

"I think we could hold the thing off for a reasonable length of time," Black said.

Lindsey requested that the board notify the commission when a course of action was decided upon.

Several city property owners in the area had earlier protested the rezoning stating the move would decrease their property value by one-half.

Commissioners also passed an addition to a "speed zone" ordinance for the city.

Ordinance No. 300, section 17-105 of part two of the code of ordinances for the city reads:

"Where no special hazard exists that requires lower speeds, the speed of any vehicle of not more than 55 miles per hour shall be lawful between a point where Eighth Street joins U. S. Highway 60 along U. S. Highway 60 to a point where U. S. Highway 60 joins the North City limits of the City of Canyon."

"Where no special hazard exists that requires lower speeds, the speed on Spur Number 48 shall be unlawful if it shall exceed the speed of 30 miles per hour from U. S. Highway 87 to the East to Twenty-sixth Street and 45 miles per hour from Twenty-sixth Street to a point where Spur Number 48 intersects with State Highway 217 at a point approximately at the East City limits of the City of Canyon."

Gwyn presented a copy of proposed subdivision regulations from Springer and suggested the commissioners study them in preparation for discussion next week with McMorries.

The 18 pages of regulations include authority, purpose, jurisdiction, definitions, policy, preliminary and final plat, fees and charges, penalties, conflicting ordinances and other "rules and regulations" covering and governing future subdivision work in the city.

"There are some big changes in this," Gwyn told the city fathers.

A request for a 30 foot lay-down at Clay Cooper's building on 4th Ave. was rejected by the commission who agreed to stand behind an earlier ruling of only two 20 foot entrances per one hundred feet of property. The Cooper location already has one 20 foot exit and was requesting an additional 30 feet of the lay-down curbing.

Commissioners agreed to pass on the policy for the installation of new curb and gutter and/or the replacement of existing curb and gutter.

The policy of allowing two 20 or one 30 foot entrance came under fire at last week's commission meeting from Mrs. Hazel Williams, owner of Imperial Chevrolet, who wanted the entire north side of her parking area put in the lay-down curbing.

Drive openings include residential single, 16 feet; residential double, 22 feet; commercial single, 16 feet; and commercial double, 30 feet. All footage is listed as maximum.

A residence may have one double or two single openings per lot and commercial is allowed one double and two single openings for each one hundred feet.

Valley gutters must be, according to the policy, all concrete, a minimum width of five feet four inches, at least six inches thick and have minimum reinforcing steel number 666 (six by six by six) and in sufficient quantity to tie the apron to valleys.

No lay-down curb will be permitted, with the exception of service station entrances and exits.

Alley openings are to be the width of the alley with a minimum of five feet "stand up curb" constructed on each side of the alley opening.

Gwyn was given authority to enforce the policy and any deviations from it must be approved by the city commission.

City Has New Pest Service

Canyon Pest Control, a new business in Canyon, is owned and operated by W.D. "Dale" Keeling.

The new business is headquartered at 1304 Fifth Avenue and specializes in residence extermination of flying and crawling insects. Services also include local commercial extermination.

Keeling has recently moved to Canyon from Hobbs, N.M., where he was formerly associated with a pest control service. The Keeling family lived in Hobbs for 33 years.

The Keelings, Dale and his wife, Fabrous, have two married children including Tom Keeling of Canyon and Mrs. Donna Adams of Hayes, Kan.

MR. AND MRS. PAUL Green were in Canyon Sunday for the meeting of the Board of Directors of the Texas Panhandle Heritage Foundation. On Saturday evening the Greens attended the production of his historical drama, "TEXAS" for the first time.

'TEXAS' To Run A Second Season

"TEXAS", Paul Green's historical drama will be produced for another season, according to Mrs. Margaret Harper, president of the Texas Panhandle Heritage Foundation.

Meeting Sunday in the Fine Arts Building of West Texas State University, members of the Foundation Board of directors reached the decision on production for a second summer and rehired Raymond Raillard as executive vice-president and William Moore as director.

It was also announced at this meeting that attendance at the production this season has passed the 44,000 mark. Last year's production of "Thundering Sounds of the West" drew a total attendance of 36,000 in a period which lasted two weeks longer than the season for "TEXAS".

Average attendance for the first two weeks in August was 1,220 Mrs. Harper stated, with top attendance being 1,464. It is expected that attendance will far surpass the original estimate of 50,000.

Present for the meeting were Mr. and Mrs. Paul Green, Green, Pulitzer prize-winning dramatist who is author of the Amphitheatre production in Palo Duro Canyon, expressed the opinion that the drama was "very beautifully acted."

On Saturday evening Green saw his first performance of the drama with an audience present.

For the benefit of the Board, Green went over the play scene by scene making suggestions. He also recommended a more complete sound system to give greater emphasis to the climaxes of the play.

Green also discussed other

Wheat...

(Continued from Page 1)

allotted last year, he said, although some was diverted from production. He said a little less than 100,000 acres actually was planted.

Dr. M.B. Measamer, head of the West Texas State University geography department who compiles weather information here, said 2.28 was recorded from a period beginning Friday and continuing through Wednesday morning.

The break-down includes 1.28 Tuesday until 5 p.m., .48 Tuesday night, .37 Monday, .02 Sunday, .11 Saturday, and .02 Friday.

He said the lowest temperature recorded was Tuesday with a 52 degree reading. During the day, the mercury varied upwards only three more degrees than the low.

US Weather Bureau officials in Amarillo said although it was too early to give a definite forecast the "five-day" outlook indicated "possible" showers for the week-end.

A gauge three blocks east of the Randall County Sheriff's Rodeo Arena indicated 2.50 inches had fallen since Monday morning and 2.80 inches was reported three miles west of Happy for the three-day period. A total of 2.10 inches was recorded at the Randall County Courthouse.

The largest amount reported was from Edgar Robinson in the Jewell Community who recorded 5.60 inches.

He said the ponds near his farm that had been dry for some time were filling rapidly and although part of the moisture that fell was "hard and fast" he could see no runoff.

Had a party? Or giving one? Tell The Canyon News about it. Telephone OLS-2141, or stop by the News office on the west side of the square.

experiences with outdoor drama.

The script of "TEXAS" with a listing of the original cast goes to press in October and will be available in January.

When the show closes the season on Sept. 5, members of the "TEXAS" staff will begin inventory preparing reports and supply lists. As soon as telephone books come out, new mailing lists will be prepared. There are currently 3,000 members of the Foundation and a new membership drive is planned. Annual meeting of the organization is slated for January.

Currently the Foundation has been invited to send a representative to the Travel Show in Chicago as a representative of the Texas Tourist Development Agency in Austin.

Spring plans call for a renewed publicity campaign, although dates of the 1967 season have not been set.

WTSU Convocation Is Slated Tonight

Approximately 290 candidates will receive their degrees from West Texas State University tonight at summer convocation scheduled at 8 p.m. in the Fieldhouse. Speaker will be Dr. Lester E. Harrell, Jr., assistant commissioner of Higher Education of the Coordinating Board of the Texas College and University System.

Graduating students will hold rehearsal for the program at 3 p.m. and the West Texas Ex-Students, Inc., will honor the graduates at a coffee from 2 until 3 p.m. in the formal lounge of the Student Union Building. The Ex-Students award each graduate with a miniature diploma.

A faculty academic procession will open the program, and Rev. Jack Boyett, pastor of the Calvary Baptist Church, will give both the invocation and benediction.

Assisted by Dr. Walter H. Juniper, dean of the university, and Dr. John B. Wilson, dean of the graduate school, President James P. Cornette will confer degrees. Ten graduates will receive commissions as second lieutenants in the Army Reserve from Col. Henry L. Calder, professor of military science.

Dr. Harrell, who was acting commissioner of higher education.

Trial...

(Continued from Page 1)

district Court in Randall County was granted by Judge E. Jordan and will be held in the 16th District Court in Denton with Judge W. C. Boyd Jr. presiding.

Clifford, 33, is also charged in Deaf Smith County with assault with intent to murder in connection with the shooting of Joe Stevens. Stevens was shot six times while at a Hereford feed lot where he worked. This incident occurred shortly after the shooting of Mrs. Clifford took place at a Canyon apartment.

At his arraignment Aug. 11, Clifford entered a plea of not guilty.

He is represented by Shuford Farmer of Waco, noted criminal attorney, and by Jack Gray of Denton, former Denton district judge and ex-FBI agent.

Dowlen will be chief prosecutor for the State of Texas. A special venire has been called for the Clifford trial because the State is seeking the death penalty.

Going somewhere? Or been? The Canyon News wants to know about it--and so do its readers.

Attorney Dashes Hopes For Tax League Action

Don M. Dean, Amarillo attorney, dashed hopes for changing recent equalizations by the Canyon Independent School District at a meeting Friday in the Junior Livestock Building.

Dean told members of the Randall County Taxpayer League that a substantial increase in tax, does not make it illegal.

"This equalization has to be based on cash market value and the school district tax was based on that valuation. The only remedy would come in being able to show that the assessment was not at fair market value."

"Taxes must be equal. When you as a taxpayer come in, you have to show that taxes are unequal...how many dollars you have been damaged."

"I'm confident that the school board did not tax bank deposits, stocks and so forth. There could be a challenge on the grounds that this is inequality. This would require a lawsuit by October."

"By the time you hire a lawyer, pay an outside appraiser it would not be economic."

"What can you do? First, each of you must remember to get to the tax office and render your property at fair market value."

"The Board of Equalization would be required to notify you."

"Ask the School Board to give you time to prepare evidence to present to the Board of Equalization."

"Present your evidence." "Use the money in your treasury to have an outside appraiser look at several tracts of land involved."

Dean went on to discuss Amendment Number One to the Texas Constitution which will be on the ballot Nov. 8.

This amendment will "provide that all land owned by natural persons designated for

agricultural use shall be assessed for all tax purposes on the consideration of only those factors relative to such agricultural use."

The attorney expressed the opinion that this amendment, if passed, will mean that each individual may file a statement as to use of land with the tax assessor. The assessor will also place another value on this property if it were to be used for purposes other than farmland. If use of the land changes, tax evaluation is changed and new value will be retroactive for three years.

Elmer Winters, a member of the League protested that "You can't use it for agricultural purposes if the taxes are so high you can't keep it." Winters taxation on one and one-half sections of land has jumped from \$400 to \$1,400.

When asked what fair market value was, Dean listed "Comparable sales, what land would lease for, profit you make off of it."

Dean also cautioned the 34 taxpayers present that "some of your solutions are political. The taxpayer can't afford to fight this thing in court unless you are trying to establish a long-range policy."

Dean was hired by the League following a meeting of the executive board held at the office of Glenn Casey in Amarillo.

Reporting on a Tuesday meeting with the Canyon School Board, Douglas Marshall said, "They're not going to listen to you. One School Board member said they would back the appraiser 100% right or wrong."

To which Winters replied, "If they don't know right from wrong maybe we should trade them off."

It was suggested by chairman

Commission...

(Continued from Page 1)

the new criminal code went into effect the first of this year.

A total of \$47,598.48 is estimated in the budget for the three-county area Bouch said and \$16,097 was made in collections for the past year.

Commissioners also approved a bid of \$3,652.95 to put about 1,600 lineal feet of fencing around the Precinct One barn. Western Fence Company of Amarillo was the only firm bidding on the project. Completion on the project was specified within 21 calendar days.

Bob Karges, assistant refuge manager at Buffalo Lake, gave the court a check for \$124.16 to include a six-month period of collections for land leased by the lake to area ranchers. He said another check would be forthcoming the latter part of this year and explained that the total collected was low due to little use of the lake area.

District Clerk Mavis Hill was given authority to employ a part-time employee to help in her office.

She said the position would pay about \$132.50, which is half what a regular employee is now paid in the clerk's office.

Fish Story

BUFFALO CARP at the Hunsley Hills Fish and Game Preserve was captured last Tuesday by these five Canyon youngsters. Holding the fish, which was one of three the boys caught by hand, are left, Bryan Garner, son of Mr. and Mrs. Gary Garner and Stuart Lawrence, son of Mr. and Mrs. Stuart Lawrence. Looking on are, left, Jerry Allen, son of Mr. and Mrs. Chuck Allen; Brad Garner and Mark Lawrence. The boys had a fish fry Saturday evening at the Garner home at 8 Country Club Drive. The fish pictured weighed seven and one-half pounds and was 24 inches long.

of the League, B.E. McCormick that members of the organization meet each week with the school board, city commission and county commission in order to keep the group informed.

It was also suggested that some of the money in the treasury be used to support Amendment Number One through the Farm Bureau organization. No action was taken on either recommendation.

Canyon...

(Continued from Page 1)

trouble with earlier were outside. He figured they would jump him.

Daniels asked the airman to go outside with him and thinking that there might be nothing more than a fist fight, the airman went.

He indicated that the two Canyon boys, Reed and Thrasher, were standing by a car talking to each other when Daniels walked up and words were exchanged.

The Canyon youths told Daniels to go home. More words were exchanged, Reed and Thrasher again told Daniels to go home. Daniels pulled a gun and started shooting.

Following the shots, the airman ran one direction and Daniels another. The airman told Hollis, "he had already shot two people and I thought he might decide to make it three."

After his retreat from the scene, the airman telephoned his mother in California, explained what had happened and asked her advice. She told him to call the police and he went directly to the office of Potter County Sheriff Paul Gaither.

Meanwhile, using descriptions and information from witnesses at the scene Amarillo Police officers arrested Daniels at his home where they found him asleep. He was charged with assault with the intent to murder.

According to Detective Hollis, eight or ten persons witnessed parts of the fracas including Patsy Pippin, 16, of 2205 E. 21st in Amarillo. Miss Pippin was Reed's date for the evening. Thrasher's date was Vicki Oleforce, 17, of Bristol, Okla. Miss Oleforce had been visiting in Amarillo with Mr. and Mrs. Donald Crisp. The Crisps operate the Trail Motor Hotel in Canyon.

Reed and Thrasher were shot with a .22 caliber pistol, but according to police, the gun has not been recovered.

Daniels has not given any more details as to the "previous trouble." According to Hollis, "He is pretty well up on his rights. We don't have to tell him anything."

Daniels had earlier stated that he had been watching television and he knew his rights, he didn't have to say anything and that they would have to appoint him a lawyer." Reed and Thrasher have not commented on the earlier argument.

Reed, who graduated from Caprock High School this spring, planned to attend West Texas State University this fall, according to his grandmother, Mrs. C.C. LaGrone.

Thrasher is a junior student at Canyon High School.

A fund for the hospital and doctor bills of the two boys has been started by Mrs. Crisp. According to Ronnie Stevens of Canyon, who is helping organize the fund drive, donations may be sent to the Canyon First National Bank. The Bank is handling the account and the paying of bills from the monies raised.

Services Are Held

Gravestone rites for James Gilbert Stewart, of Roff, Okla., were conducted at Dreamland Cemetery Tuesday afternoon under the direction of LaGrone Funeral Home.

Officiating was the Rev. Strauss Atkinson, pastor of the First Baptist Church.

Born Oct. 29, 1902, Mr. Stewart collapsed and died at a Canyon service station Aug. 15.

He carried no identification and his identity was unknown until a check was made by local officers to the Federal Bureau of Investigation.

An autopsy in Amarillo revealed he died of "acute myocardial infarction", a hardening of the arteries, according to a pathologist's report.

The report also indicated he may have been at one time a professional boxer as there was an accumulation of scars at the top of his forehead.

Local officers have been unable to trace any relatives.

Kids, Inc. Footballers

KIDS, INC. footballers opened fall workouts with lots of exercise at Conner Park. Eleven and twelve year-olds who wished to participate in the football program met Saturday morning at the park with Coach Jon Low. Meetings are being held each afternoon at the park, 4 p.m. Boys interested in playing are urged to contact Low.

Fairview Breezes

BY MRS. J.W. WESLEY

We have received 1.40 inches rain this past weekend.

G. E. Wesley was confined to the Osteopathic Hospital in Amarillo last week but was released Saturday. He was reported to have bronchial asthma.

Ervin Wilson injured his ear while skiing at the lake.

The Wesley Reunion at Lake Brownwood was well attended. Travelling the farthest were H. E. Wesley and daughter from Canton, Miss., who traveled over 700 miles to attend.

Representing Happy were Mrs. Alvin Wesley and son, Charles and his daughter, Mrs. Charlene Dustman and daughter, Paula, C. P. Rogers, Mrs. Edna Wilson and Mr. and Mrs. J. W. Wesley.

Mr. and Mrs. A. E. Wesley are remodeling their home at Cliffside.

M. J. (Bill) Wesley of Peyton, Colo., came in Saturday for a visit with his uncle, G. E. Wesley, and other relatives.

Mr. and Mrs. Riley Eudy

and M. J. Wesley went to Silverton Sunday for a visit with their brother, Buck Wesley, and family.

Mrs. Ann Langston and son, Jimmy, accompanied her parents, Mr. and Mrs. Jake Price, to Camden, Ark., for a visit with her grandparents.

Mr. and Mrs. Robert Smith of Lubbock visited with her parents, Mr. and Mrs. E. W. Schaeffer, and Mr. and Mrs. Raford Shipman.

The group spent time canning vegetables and when they returned home their sons, Mike and Jimmy Don, went with them. The boys had been spending the summer with the Shipmans.

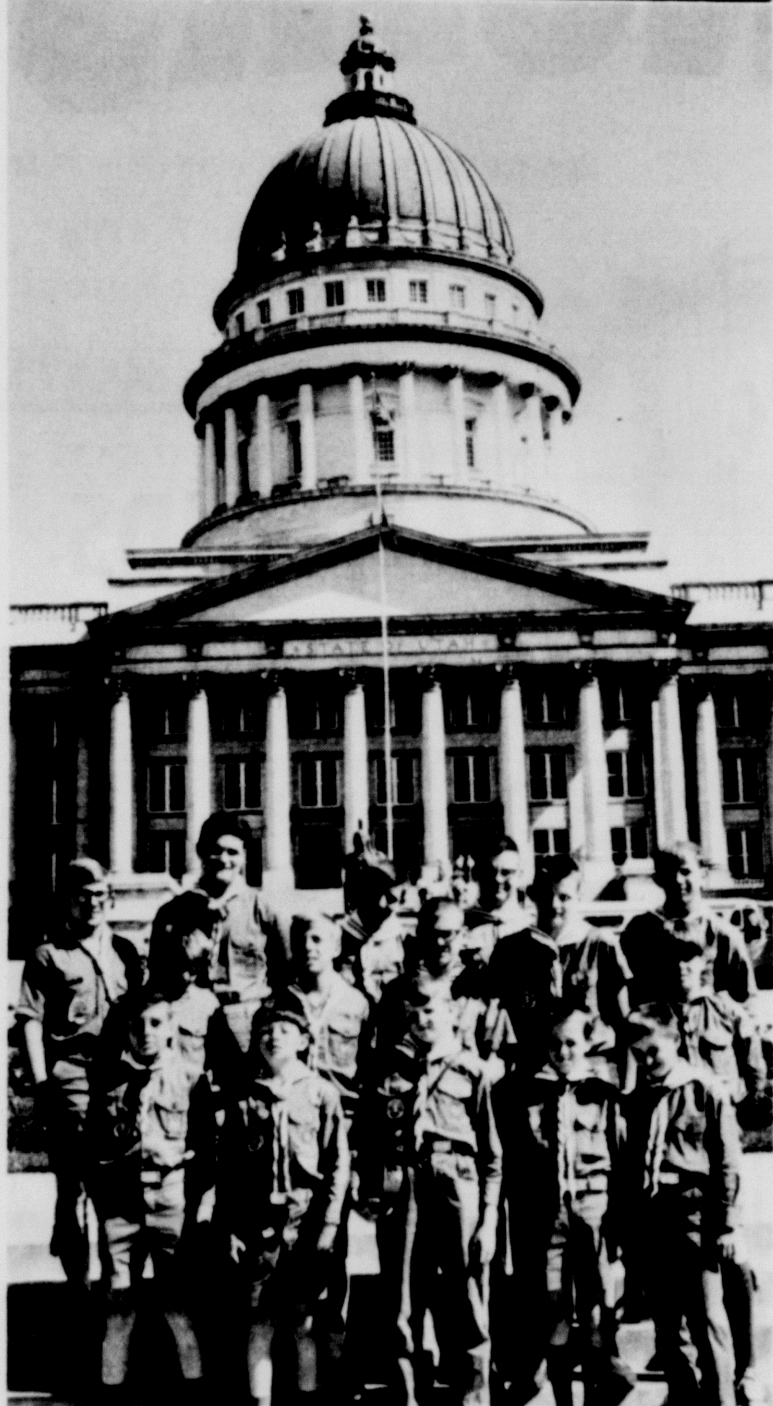

Visiting G. E. Wesley during his stay in the hospital were Mrs. Maria Prossor and Cricket Wesley of Amarillo, Jerry Shipman of Hereford, Gene Shipman and Edna Wilson of Happy.

Mr. and Mrs. J. W. Wesley visited in the G. E. Wesley home Saturday evening.

Mr. and Mrs. Charles Wilson and children, Vickie, Roger

Lee, Ernest and Johnny Lon, visited with his mother and uncle, Mrs. Edna Wilson and C. P. Rogers, Sunday afternoon.

Mr. and Mrs. Raford Shipman and children visited Sunday afternoon with Mr. and Mrs. G. E. Wesley.

CANYON BOY SCOUTS of Troop 108 are pictured in front of the capitol building at Salt Lake City, Utah during their recent trip to numerous midwestern points including Yellowstone National Park.

Troop 108 Returns From Yellowstone

Boy Scout Troop 108 has returned from a summer outing to Yellowstone National Park and

additional points in several mid-western states.

Dick Ziegler, scoutmaster, complimented his group of scouts for "their excellent behavior" throughout the trip and added that not even one bandaid was needed during the outing.

Accompanying the local scouts and Ziegler was Louis Machuca, district scout executive, from Hereford.

A large portion of the credit for the younger boys actions has been attributed to the leadership of Bruce Shell, senior patrol leader, and Johnny Barrett, assistant patrol leader.

Shell spoke to last Tuesday's meeting of the Canyon Rotary Club giving a report on the outing which was attended by some 15 Canyon scouts.

Mrs. Schutte In California

Mrs. Ida Schutte is on a sightseeing trip to California this week.

Mrs. Schutte and her guests, Dietrich Overhoff of Amarillo and his sister of Germany, left Friday afternoon on the trip.

Recently, Mrs. Schutte and Overhoff and Mrs. Boe Hollis Oscar Schutte and in Boulder, Colo. with the Richard Stevens family.

Times really haven't changed so very much if you can believe the news printed January 4, 1800 in the Ulster County Gazette. A copy of the Gazette or perhaps a reproduction of the gazette is owned by O. L. Kirby of Canyon. The copy of the paper originally belonged to Kirby's father, O. K. Kirby of Coleman Co. Kirby thinks his father picked up the newspaper somewhere near Georgetown a number of years ago.

He also believes this copy may be a reprint of the original paper. Originals of the newspaper are in the Smithsonian Institute and in the Archives of the United States. Another copy is believed to be in the Kingston, N. Y. museum, one of the oldest museums in the country. Kingston is in Ulster County, where the paper was printed.

Americans of 20th century vintage are most familiar with protests, marches and other evidences of civil disobedience and subsequent investigations by government bodies. Seemingly this is nothing new. In this edition of the Gazette, the lead story begins:

"Accept, Sir, the respectful acknowledgement of the Senate of the United States for your speech delivered to both Houses of Congress at the opening of the present session."

"While we devoutly join you in offering our thanks to Almighty God for the return of health to our cities and for the general prosperity of our country, we cannot refrain from lamenting that the arts and calumnies of factions and designing men have excited open rebellion a second time in Pennsylvania, and thereby compelled the employment of a military force to aid the civil authority in the execution of laws. We rejoice that your vigilance, energy and well timed exertions, have crushed so daring an opposition and prevented the spreading of such treasonable combinations. The promptitude and zeal displayed by the troops called to suppress this insurrection deserves our highest commendation and praise, and affords a pleasing proof of the spirit and alacrity with which our fellow citizens are ready to maintain the authority of our excellent government."

In answer: "The praise of the Senate so judiciously conferred on the promptitude and zeal of the troops, called to suppress the insurrection as it falls from so high authority must make a deep impression both as a terror to the disobedient and an encouragement to such as do well."

United States Dec. 10, 1799 John Adams John Adams, then president of the United States left little doubt as to the standing of people who resort to civil disobedience. At this time, the United States of America was still a young 23 years old and much of the news printed was from England or reported happenings on the European continent.

News from London, dated Oct. 18, 1799 gave the English account of the Battle of Zurich taken from the London Gazette. The English, Russians and Austrians were lined up against the French. The Gazette reported that "French telegraphs and other accounts of those desperate conflicts are fallacious."

Today people are still taking "French accounts" of the world situation with a grain of salt. At the time this edition of the Gazette was printed, John Adams must have just taken the reins of the country in hand. A story dated Dec. 29, House of Representatives says:

"Mr. Marshall with deep sorrow on his countenance, and in a low pathetic voice, rose and addressed the House as follows: "The melancholy which was yesterday announced without doubt, has been rendered but too certain. Our Washington is no more!"

This was followed by an account of George Washington's death and funeral. WASHINGTON ENTOMBED George Town, Dec. 20

On Wednesday last, the mortal part of WASHINGTON the Great--the Father of his Country and the Friend of Man, was consigned to the tomb, with solemn honors and funeral pomp.

"A multitude of persons assembled, from many miles around, at Mount Vernon, the choice abode and last residence of the illustrious chief." Inscription on the coffin said: General George Washington Departed this life, on the 14th December 1799 aet. 68 The story went on to describe the funeral procession and to list pallbearers, all colonels in

the General's army.

The fourth and final page of the newspaper told of problems that today plague newspapers: shortage of space.

"The limits of our paper are too narrow this week for the great variety of foreign news received by the last mails-- We shall, however, lay before our readers a short but comprehensive summary."

Most of the fourth page was taken up with advertising, most of which seems to be placed by the Sheriff, Peter Ten Broeck. Twelve of the 35 ads placed were Sheriff's Sales of property.

Luther Andres & Co. Ad. stated: "The following articles will be received in payment. Wheat, rye, buckwheat, oats, corn, butter, flax, ashes and rawhide. These will be taken in at the Esopus prices. CASH will not be refused."

Warsink, Dec. 24, 1799 Another ad pointed out what a great many Southerners have known for years, that slavery was not strictly a Southern institution.

"A stout, healthy, active Negro wench. Any person inclined to purchase may know the particulars by applying to John Schoonmake, jun. at Rochester. Nov. 13, 1799."

And to confirm the fact that it was winter time this ad: "For Sale: A neat, elegant, well finished pleasure Sleigh. Apply to Jame Hasbrouck in Kingston, Dec. 21, 1799

Magazine To Feature Bob Begert Bob Begert of Canyon will be featured in an upcoming picture magazine section of the Dallas Times Herald.

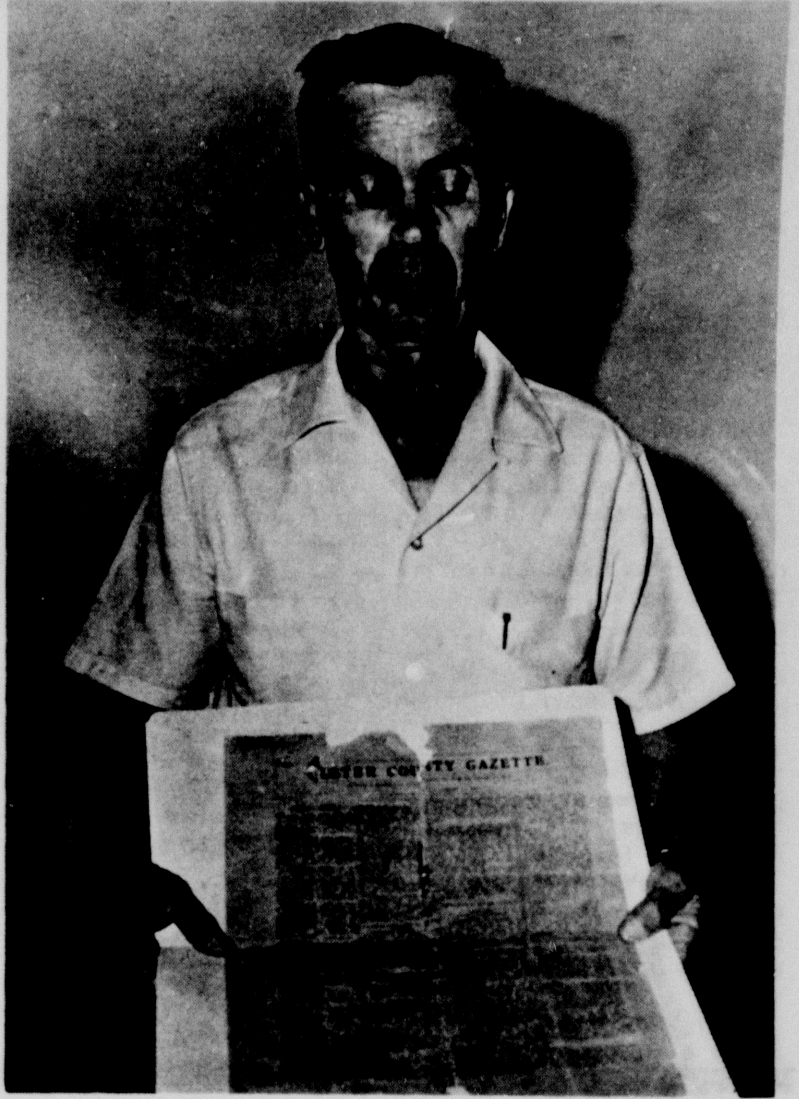

The 21-year-old former Canyon High School student, now a senior at Southern Methodist University, will head the SMU basketball team this fall.

Although Begert has been working out with the West Texas State University basketball varsity team twice weekly this summer, he schedules no particular exercises because, "if you played ball year round you'd burn yourself out."

He has been, however, helping his father Frank Begert, farm about two sections of irrigated land near Canyon and work with his own herd of cattle.

As to Begert's favorite subject, SMU basketball, he said the team was favored to take the conference crown although "TCU and Texas are always tough and any team in the conference could slip up on you."

SMU took the conference title in last year's cage wars.

O.L. KIRBY of 2511 A. 5th Ave. in Canyon displays what may be a copy of the Ulster County Gazette, published at Kingston, (Ulster Co.) New York, by Samuel Freer & Son in 1800. This issue of the newspaper is dated Saturday, January 4, 1800.

BOWLING NEWS

In the Bantam league, Larry Crabtree and Randall Burton have tied for first place with 14 points each.

Bill Anderson came in second and Jake Stewart third.

An end of season party for the Bantam bowlers will be held Saturday morning, August 27, when they will receive their trophies.

Fall leagues for all boys and girls, ages 6-19, will be formed on September 10.

Larry Pitt and Gee Smith moved into first place in the junior and senior boys league Monday night by winning four points from Team No. 2.

Dale Westfall was high for the night by rolling a 224 game and 577 series. Rycke Sargee also had a 211 game and 537 series.

Team No. 4 presently has the lead of the league with a 14-6 record followed closely by Team No. 3 with a 13-7 record.

In the Thursday night men's trio, Team No. 4 held onto first place by winning five points from Team No. 2.

Team No. 6 stayed close for second place by winning four points from Team No. 8.

Leading scores for the night were Hal Brown, 228-776; Bill Bell, 225-774; Nig Carter, 210-732; and Larry Pitt, 202-720.

In the afternoon ladies league, Team No. 6 moved to within a game and a half of first place by winning four points from Team No. 3.

Team No. 1 held onto first by winning three points from Team No. 5.

High scores rolled were Lyvonda Brown, 172-435; and Jewell Pruitt, 145-423.

Trash Equipment

TRASH COLLECTION DEVICES purchased by Canyon City Commissioners recently arrived and were stacked near the railroad until the front-end loader and truck ordered arrived.

The equipment will be used for Canyon business establishments. About 50 boxes arrived and some 29 more are expected.

Trash Collection Equipment Arrives

About fifty trash collection boxes for city businesses have arrived and 29 more are expected shortly, said Gary Gwyn, city manager.

The boxes, that range in size from three to eight cubic yards capacity, were unloaded near the Santa Fe railroad tracks until a F950 truck with conventional cab, chassis and front end loader can be delivered about Sept. 1 from the Ford Motor Company in Detroit, Mich.

City Commissioners voted to purchase the 79 boxes and truck April 11 from LoDall manufacturing company of Kingsford, Mich. for \$36,465.28. Existing equipment, consisting of 40 boxes and a 2-ton truck, were sold to the city of Friona for \$15,000. A total of \$20,000 was allocated in this year's city budget for the equipment.

Gwyn said he hoped the new equipment would save time and expense over the equipment now being used.

Degree Awarded

Donald B. McDonald of Canyon was among some 444 graduate students to receive his master's degree at North Texas State University in Denton Wednesday night.

McDonald, son of Mr. and Mrs. Bryan E. McDonald of Canyon, received his master of education degree in secondary education.

Some 612 students were candidates for the bachelor's degree and 14 were candidates for the doctor's degree.

system would have required the replacement of the truck we have, purchase of another truck and purchase of 30-40 additional boxes, and we still would not have had a system which provided for packing garbage as it is picked up. Therefore the number of eight miles round trip to the land fill would have increased," Janak said.

"The new equipment can service up to 120 boxes per day and allows for expansion of the services needed with the population growth, he said.

MRS. KENNETH VELTON LYNN

Cotton Center Vows Unite WTSU Couple

Miss Geneva Gale Gilmore became the bride of Kenneth Velton Lynn in double ring nuptial ceremonies Saturday evening at the Cotton Center Methodist Church.

The bride is the daughter of Mr. and Mrs. Arlie Gilmore of Cotton Center and is employed with West Texas State University. A sophomore student at West Texas State University, the bridegroom is the son of Mr. and Mrs. K.O. Lynn of Littlefield.

Rev. D.D. Creecy performed the nuptial rites. Music for the occasion was presented by Mrs. Dicky Shackelford, organist, and Mrs. Lawrence Hastings, soloist, from Lubbock. Traditional wedding music included "I'll Walk Beside You", "Whither Thou Goest" and "Wedding Prayer".

The church was decorated with bouquets of white gladioli on the communion table flanked by greenery and candelabra. The anniversary candle was set in front of a bouquet of white glads. The bride and bridegroom lit the anniversary

candle at the close of the ceremony.

Shower Fetes Bride-Elect

Miss Carolyn McDowell of Happy, bride-elect of Carrol Robertson, was honored with a miscellaneous bridal shower recently in the Hobart McManigal home in Happy.

Guests were greeted by Miss Anne McManigal and presented to the receiving line which was composed of the honoree, her mother, Mrs. K.B. McDowell, Mrs. L.E. Robertson, mother of the prospective bridegroom, and Mrs. McManigal.

Presiding at the guest book was Mrs. Janet Chechourka. The refreshment table was laid with a white linen cloth centered with an arrangement of pink rosebuds and carnations, flanked by lighted silver tapers, carrying out the honoree's chosen colors of pink and silver.

Mrs. Orrell Vise of Tullia, Miss Jean Rahlfs and Mrs. James Parker presided at the tea table.

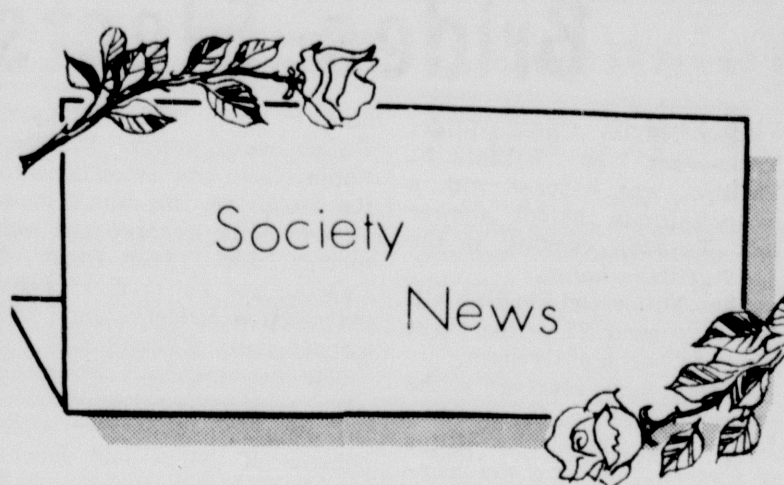

bridegroom, served as bridesmaid and the matron of honor was Shirley Gilmore, a sister-in-law of the bride. Both wore pink sheath dresses with bateau necklines accented with white accessories and carried long stemmed pink roses.

Darrel Keith Evins was best man. Groomsman was Kenzel May. Ushers were Dwayne Houk and Donald Gilmore, brother of the bride.

Given in marriage by her father, the bride wore a white taffeta brocade suit with white linen blouse and white accessories. Her pillbox hat held a short bridal veil of illusion. Her bouquet was white carnations surrounding a white orchid, with short streamers.

A reception honoring the couple was held in Fellowship Hall of the church. The table was laid with a pink satin cloth covered with net. Centering the table was a pink bouquet and the white wedding cake featuring bells on top. A pink punch was also served.

The couple will make their home at 2405 Seventh Avenue in Canyon.

Miss Freeman Weds Cunningham

Miss Suzanne Freeman became the bride of Thomas Leighton Cunningham in a double ring ceremony solemnized Saturday morning in the First Presbyterian Church of Lubbock with Rev. Andrew A. Jumper officiating.

Parents of the bride are Mr. and Mrs. Emery E. Freeman of Lubbock and the bridegroom's parents are Mr. and Mrs. J. C. Cunningham of Anton.

The bride was graduated from Texas Technological College and the bridegroom attended

Lubbock Christian College. He is presently attending West Texas State University in Canyon where the couple will live at 2701 Eighth Avenue.

Given in marriage by her father, the bride wore a formal wedding gown of white Irish linen designed with a sweetheart neckline and flared sleeves overlaid with re-embroidered Alencon lace. Her mantilla swept to floor length, covering the chapel train and she carried a bouquet of white gardenias and stephanotis atop a white Bible.

Mrs. Earl Eddy of Livingston, N. M., and Miss Joan Huntley of Lubbock were honor attendants. Bridesmaids were Misses Diana Patton of Tullia and Gail Alderson of Lubbock. Junior attendants were Miss Kathrine McKelvy of Lubbock and Perri Lou Patton of Tullia.

Best man was Jesse W. Hockett of Lubbock, Earl Eddy of Hobbs, John Abernathy and Richmond Graham of Canyon were groomsmen.

Serving as ushers were Sherrol Patton and Howard Patton of Tullia, Ray Miller, Jr. and Ross Noble Lindly of Lubbock. Jon Spears of Lubbock was ringbearer.

Tapers were lighted by Miss Beth Alderson, Miss Cathrine Hall, Kevin McKelvy and Chip Scull, all of Lubbock.

Vows Read In Farwell

The marriage of Miss Susan Blair and Charles Roberts was read recently in the First Baptist Church of Farwell.

The bride is the daughter of Mr. and Mrs. Bruce Blair, Jr. of Farwell and Mr. and Mrs. W.M. Roberts of Farwell are parents of the bridegroom.

Both the bride and bridegroom are graduates of Farwell High School. They will reside in Canyon, where he will be a senior student at West Texas State University this fall.

For her wedding, the bride wore a formal gown of silk organza and re-embroidered Alencon lace accented with seed pearls and iridescent sequins. A pillbox crown of seed pearls held her veil of silk illusion and she carried a bouquet of stephanotis centered with a white orchid atop a white Bible.

Mrs. Bryce Ayres of Gruver was matron of honor for her sister and bridesmaid was Miss Diane Lovelace.

Best man was Errol Johnson and Bobby Atkinson was groomsmen. Ushering duties were performed by Bruce Billingsley and David Blair.

Miss Stephanie Traxon and Rodney Roberts Coburn were ringbearers. Tapers were lighted by Miss Jeanie Blair and Miss Milly Bradley of Dimmitt.

Traditional nuptial music was presented by Mrs. Donald Watkins, organist, and Bryce Ayres of Gruver, vocalist.

Martins Are Wed Recently

Mr. and Mrs. Michael Troy Martin will make their home in Canyon where both are students at West Texas State University.

The couple was married recently at the Central Baptist Church of Pampa.

Martin is the son of Mr. and Mrs. Troy O. Martin of Andrews and his bride, Martha Helen, is the daughter of Mr. and Mrs. Dudley L. Tankersley of Pampa.

Given in marriage by her father, the bride wore a formal gown of white silk accented with pearl and crystal beading. Her tiered veil of illusion was attached with a jeweled organza and pearl comb. She carried a cascade bouquet of white roses and stephanotis entwined with similax.

Maid of honor was Miss Edith Rowell of Hale Center and bridesmaids were Miss Sharla Taylor of Post and Miss Elaine Louder of Canyon. Miss Kim Barnes and Miss Kay Barnes both of Port Lavaca were flower girls. Ringbearer was Gregory Elrod of Dallas.

Best man was Butch Inman of Denton and groomsmen were Don Criswell of Denver City and Rex King of Grandfalls. Ushers were Kim Freeman of Denver City and Gary McDonald of Kansas City, Mo.

Rev. T. O. Upshaw, pastor of the church, officiated at the ceremony and traditional nuptial music for the early evening ceremony was presented by Mrs. Hugh Sanders, organist, and Miss Sharla Taylor, vocalist.

MRS. SAM D. PARKER

Nuptials Unite Former WT Couple

Double ring wedding vows for Miss Shirley Kay Rowell of Kress and Theodore Alan McNelly were read August 12 at the First Methodist Church of Tullia with Rev. James T. Carter, pastor, officiating.

The bride is the daughter of Mr. and Mrs. J.W. Rowell of Cotopaxi, Colo., formerly of Kress and parents of the bridegroom and Mr. and Mrs. Norman McNelly of Tullia.

A nuptial music program was presented by Miss Debra Jane Rowell of Denver, Colo., pianist and Terry Stark of Claytonville, soloist. Both are cousins of the bride.

The bride was given in mar-

riage by her father. She wore a formal length gown of Chantilly lace featuring a sabinia neckline enhanced by pearls and crystals and long tapered sleeves with lace formed scallops. The empire effect bodice extended to a controlled skirt. A wateau chapel train of matching lace swept to the floor from the shoulders where it was caught with folds of lace.

Her elbow length veil of French illusion was held by a double crown of matching lace petals outlined with pearls and highlighted with crystals. She carried a bouquet of white gladioli, leatherleaf greenery and white lace.

Miss Mary Crawford of Claytonville was maid of honor. Bridesmaids were Miss Carolyn McNelly, sister of the bridegroom and Miss LaGay James of Plainview, Roxie Vineyard of Kress, cousin of the bride, was junior bridesmaid.

Flower girl was Cindy Stark of Claytonville, cousin of the bride, and Russ Daniels, cousin of the bridegroom, was ringbearer.

Best man was Stanley Young. Groomsmen were Ronnie Vineyard, the bride's cousin, and Larry Carter, both of Kress. Junior groomsmen were Lynn Stark of Kress, the bride's cousin. Ushers for the occasion were Melvin Young of Claytonville, and Rickie Stark, cousin of the bride.

The couple will make their home in Bryan where the bridegroom will enroll in the School of Veterinary Medicine at Texas A & M University this fall.

A graduate of Kress High School, the bride attended West Texas State University. The bridegroom, a Tullia High School graduate, has attended WTSU for the past two years.

Marriage Vows Read

Miss Lois Marie Looney and Sam D. Parker were married in formal ceremonies solemnized Aug. 12 in Austin.

The bride is the daughter of Rev. and Mrs. Irving Looney of the First Baptist Church of Happy and the bridegroom is the son of Mrs. Carrol Parker of Austin.

A former student at Hardin-Simmons University and South Plains Junior College in Levelland, the bride plans to continue her studies at West Texas State University.

A graduate of the University of Texas, the bridegroom is a teacher and coach in the Happy Public Schools.

Couple Plans Canyon Home

Mr. and Mrs. James Andrews will make their home at 2507 Eighth Avenue in Canyon following their recent marriage at Forrest Heights Methodist Church in Lubbock.

The bride, formerly Miss Linda Riddlehuber, and the bridegroom are both senior students at West Texas State University. The bride is the daughter of Mr. and Mrs. Jim Riddlehuber of Lubbock and parents of the bridegroom are Mr. and Mrs. Walter L. Ballard of Vega.

Officiant for the double ring ceremony was Rev. Bill Davis of Brigham City, Utah, who was assisted by Rev. O.A. McBrayer of Lubbock.

Mrs. Ralph Bradford of Pampa was matron of honor and bridesmaids were Misses Sue Riddlehuber of Lubbock, sister of the bride, and Faye Lee Ballard of Vega, sister of the bridegroom. Dennis Blaylock of Lubbock was ringbearer.

Best man was Randy Vaughan of Clovis, New Mexico and groomsmen were Ralph Bradford of Pampa and Curtis Crowell of Canyon. Phil McMillen of Canyon ushered.

WT Graduates In Arizona

The marriage of Miss Mary Anne Collins to James Randolph Chennault was solemnized recently in the First Baptist Church of Lefors.

Rev. Ed Spivey officiated at the double ring ceremony which united the daughter of James R. Collins with the son of Mr. and Mrs. J. W. Chennault of Odessa.

Both the bride and bridegroom are graduates of West Texas State University in Canyon and will make their home in Tucson, Ariz.

Given in marriage by her father, the bride wore a street-length dress of white lace and satin. A headress of lace accented with seed pearls held her veil of illusion and she carried a bouquet of feathered carnations centered with a white orchid.

Miss Virginia Lewis Jolly of Pampa was maid of honor and best man was Dennis Bingham of Seminole. Ushering duties were shared by Larry Schuggs of Odessa and Doug Cheveau of Claude.

COOK OF THE WEEK

Shares Family Favorites

BY LORENA MILLER

Favorite family recipes for Prune Cake and Old Fashioned Chocolate Pudding are shared with our readers this week by Mrs. V.B. Hubbard of 1311 Fourth Avenue.

Mrs. Hubbard, the former Etta Katherine Crowder, was born near McKinney and was one daughter of the Crowders with a family of seven brothers. Mrs. Hubbard has two brothers, Hubert and John, who are deceased.

Other brothers of Mrs. Hubbard are Jess, Clarence and Lawrence, all of Wheeler, H.O. of Abernathy, and M.E. of Pueblo, Colo.

When Mrs. Hubbard and her husband were married in 1926 she had not graduated from high school however she relates that she "continued her education as her children were growing up."

The Hubbards have three sons and a daughter, who all have high school diplomas and college degrees with the exception of one daughter who did not complete her college work.

A feed buyer and trucker, Mr. Hubbard was raised in Hall and Wheeler counties. His brothers and sisters include Marvin Hubbard of Springer, N.M., Buelah Hubbard and Mary Johnson, both of Amarillo, and Evonne Davis of Borger.

Mrs. Hubbard declares that both she and her husband are "lovers of nature". She related

that he often spends his nights on the road parked in a country spot with his sleeper truck.

"I like all kinds of animals," related Mrs. Hubbard describing her hobby of afternoon bird watching. She also enjoys collecting odd-shaped rocks and likes working with the flowers in her yard. Mrs. Hubbard related that her best luck had been with outdoor moss.

Embroidery and quilt piecing are also favorite hobbies for Mrs. Hubbard who collects assorted dishes and plates from various points the couple has visited.

The Hubbards are members of the First Methodist Church of Canyon. They have been residents of Canyon for 12 years.

Among the Hubbard's children are three sons, who all have graduated from Wheeler High School and hold degrees from West Texas State University. Each of the sons and their families live in Amarillo.

Charles is employed with Pan-Tex and has one son, Bruce, 18. Son Gene has taught in the Amarillo Public Schools for nine years and is presently an insurance salesman. Gene and his wife have two daughters, Trina and Maleia. Edgar, the youngest son, is employed with the Santa Fe railroad in Amarillo.

The Hubbards also have three daughters including Patricia McDonald, who graduated from Canyon High School and received her bachelor's degree

from West Texas State University. Patricia and her husband, formerly taught school in Brownfield for seven years, but have recently moved to Amarillo where he will be employed with the Pan-Tex plant. The couple has two sons, Larry Don and David.

A graduate of Canyon High School, Kay Jones of Borger is the second daughter of the Hubbards. She completed two years at WT and does substitute teaching in the Borger Public Schools where her husband is the high school principal. The couple has two daughters, Kathy and Cindy.

The Hubbard's youngest daughter, Josephine, was married this summer to Rusty Richards of Amarillo. The couple is living in Amarillo where she is employed with Pan-Tex as a bookkeeper and stenographer. She graduated from Canyon High School and has a bachelor's degree from WT.

"While the children were growing up I found my pudding recipe to be both economical and easy to prepare," said Mrs. Hubbard explaining that the pudding may be served with either plain cookies or saltine crackers.

Mrs. Hubbard's recipes follow:
PRUNE CAKE
2 1/2 cups flour
1 tsp. soda
1/4 tsp. salt
1/2 tsp. cloves

1 tsp. allspice
1 tsp. cinnamon
1/2 cup butter
1 1/4 cup sugar
2 eggs
1 cup sour milk
1 cup seeded prunes (cooked and cut course)

Measure flour, add soda, salt and spices and sift three times. Work butter until creamy and add sugar. Add eggs and beat well. Add flour alternately with milk. Bake in greased and floured 9 inch pans at 375 degrees for 40 minutes.

PRUNE FILLING
1 cup sugar
1 cup sour cream
1 cup chopped cooked prunes
2 whole eggs, beaten
1 Tbsp. butter
1 tsp. vanilla
pinch salt

Cook on burner until thick enough to spread.

OLD FASHIONED CHOCOLATE PUDDING

2 cup sugar
3/4 cup flour or cornstarch
4 heaping tsp. cocoa
3 whole eggs, beaten
4-5 cups milk (or water)
1 Tbsp. butter or oleo
1 tsp. vanilla

Mix well and cook slowly in deep pan on top of stove. When substituting water add a little more of flour or cornstarch to thicken. Milk makes the richest pudding. Will not stick while cooking if you use a deep iron skillet.

A PLATE COLLECTION is a prized hobby of Mrs. V.B. Hubbard who shares her family's favorite recipes for Old Fashioned Chocolate

Pudding and Prune Cake with our readers this week.

KRIS AKSGLADE of Copenhagen, Denmark attempts to persuade Helle Rydstrom, age three, that it doesn't pay to be camera shy. Helle's parents, Jorgen and Anne Rydstrom are also pictured. The Rydstroms live about 20 miles from Copenhagen. The Danish visitors have been recent guests of the L.S. Fisher family, 1611 6th Ave.

Danish Teachers Tour Ranch During Visit With Fishers

By MARY ANN WALTER

"We would like to see a ranch," said the Jorgen Rydstroms, who are natives of Denmark, and Robert Fisher of Canyon, being a hospitable Texan, invited the Rydstroms to do just that.

The Rydstroms met Fisher in California where Jorgen Rydstrom and Fisher were in summer classes. Fisher invited the Danish family to visit his parents, the L.S. Fishers in Canyon and take a side trip to a real ranch.

The Rydstroms were joined by a friend from "home" Kris Aksglade for the trip to Texas prior to returning to New York City where Jorgen Rydstrom will begin his second year of teaching mathematics at the United Nations School.

Children of people employed by the United Nations attend the school and "We have some American kids, too." Kids from 70 countries and teachers from 35 participate in the educational program which is partially financed by the United Nations.

Rydstrom had taught in Denmark for four years and was studying new math at the Math Institute of the Royal University for Teachers in Copenhagen when the Institute received a request from the UN school for a mathematics instructor.

"The teachers at the Institute asked me to apply," said Rydstrom and the Danish family came to the United States a year ago to begin the teaching job. Teachers at the UN school come for a two year period. They then return to their homes and may reapply if they wish to return to the school for another two year teaching period.

Rydstrom and his wife, Anne (pronounced Anna) and their daughter Helle, age three, live about 20 miles from Copenhagen in a small town. Anne explained that Copenhagen was

a city of over a million people, approximately one-fourth of the population of Denmark.

Mrs. Rydstrom, who is a registered nurse, said in relation to the trip to the ranch, "This is very strange for us to see. We don't have this kind of farming in Denmark. It is very pleasant to see."

Following a two day stay in Canyon the Rydstroms were to catch a plane back to New York which Anne described as "too big when you are from a small town."

In discussing the United Nations School Rydstrom said that a nursery is provided and a kindergarten for the preschool children. The regular school is set up on the English systems and grades are numbered One, Two, Three, Junior A, B, C, Middle C (equivalent to our sixth grade), Senior A, B (equivalent to our seventh and eighth grades) and Tutorial 1, 2, and 3.

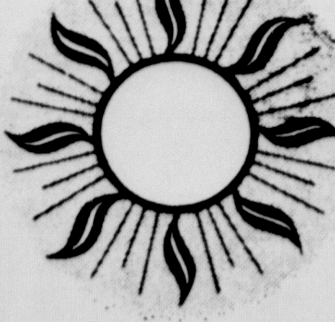

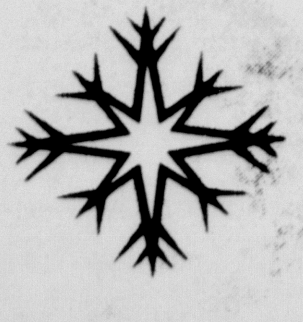

"There are 170 school days and we don't have the same holidays because of the number of religions in the school."

"In the UN school I teach one subject, mathematics. In Denmark you teach a major and minor subject."

In Denmark all children attend the first seven years together, then are split into two groups according to interest and ability. The first group, called "Practical" would be similar to the American vocational studies and a general education. Youngsters in this program do not plan a college education. Group two is called "Pre-University" and children entering this program have to pass an examination to be eligible.

These two programs take up the eighth, ninth and tenth grades and this is the total of public school education in Denmark. Although it consists of ten years instead of the twelve that is followed in the United States, it is more than equivalent because of the number of days in school each year. Vacations in the summer last only six weeks instead of the three months that American children are accustomed to.

Following the public school,

at all times
DEPENDABLE

LaGrone
Funeral Chapel

youngsters planning to go on to college take student exams for entrance into the University. Those who are planning to teach attend the Seminarium or Teacher's University. "You stay a teacher, no switching. Before teaching you have been in school altogether about 17 years. This is equal to your master's degree."

Joining the Rydstroms on a portion of their tour of the Southwestern and western United States was one of their former teachers, Kris Aksglade, who has been teaching in Copenhagen for 16 years. He specializes in Danish literature with minor subjects of geology and geography.

Kris noted another difference in American and Danish schools. "I start in the first grade with the children and follow them up to the tenth, then I start all over again."

"I teach about 12 lessons a week. The first class is Danish language, reading and writing. One hour a day is for singing songs. One class is religion, reading stories from the Bible. This is for two lessons a week. In this class we teach something on all religions. The parents decide if their child will participate in the religion class and very few take their children out of it. In fifteen years I have had two. Of course 99% of the students are Lutheran which is the state religion."

Ten years ago, Aksglade was in the United States as an exchange student at Keene, N.H., where children from New York come to summer school in the mountains.

"It is rather exclusive, children have their own riding horse and things. The New York Times has a fund for underprivileged children so that they may attend."

Kris, who is taking his sabbatical year said "The Rydstroms are my former students. They invited me to go with them."

And go they have. Prior to returning to New York the Rydstroms and Aksglade had visited Yellowstone Park, Grand Canyon, Salt Lake, Reno, Black Hills, Sacramento, Calif., Disneyland, San Francisco, Beverly Hills, Yosemite National Park, Hoover Dam, Tacoma, Wash., Santa Fe and "now we are in Texas."

Aksglade was returning to Denmark where school had already begun on Aug. 12. A substitute teacher was replacing him until his return. In Denmark children attend school six days a week for 240 days of the year. Vacation time is from June 20 to Aug. 12.

Bridge Club Entertained

The 1925 Bridge Club was entertained last Wednesday afternoon in the home of Mrs. Iverson Leake.

Refreshments of ice cream, cake, coffee and punch were served during the course of the social. Summer flowers were used for decoration.

Club guests for the occasion were Mesdames J.M. White, Hosea Foster, Ada Crager, Arch Hunsley, and Mitchell Jones.

Members attending were Mesdames Virginia Allen, L.L. Jones, Hud Prichard, A.K. Knott, James Cole, Joe Gibson, and J.M. Daugherty.

Brides-Elects Honored With Events

Miss Shirley Carol Miller, bride-elect of William F. Phillips, was honored with a miscellaneous bridal shower last Tuesday evening in the Joe A. Gibson home.

Miss Miller and Phillips will marry August 27 in the First Baptist Church of Graham.

Guests were received at the shower by Mrs. Gibson, Miss Miller, and Mrs. R.F. Phillips of Canyon, mother of the prospective bridegroom.

The bride-elect's chosen colors of yellow and white were used throughout the Gibson home in various floral decorations including the centerpiece on the serving table, which was formed of white carnations and yellow rosebuds.

Refreshments of punch, individual cake squares decorated with yellow rosebuds, and nuts were served in crystal and silver appointments. A cloth of imported lace, linen and embroidery covered the refreshment table.

The bridegroom's sister-in-law, Mrs. Robert Phillips of Hayesville, Kan., and a cousin, Mrs. R.P. Jarrett, presided at the punchbowl. Serving the cake were the bridegroom's aunts, Mrs. J.D. Murray of Hart and Mrs. H.T. Gardner of Morton.

Presiding at the guest register during the evening were Sharon Myers, Beth Jarrett and Karen Warner.

Assisting Mrs. Gibson with hostess duties were Mesdames Madge Culberson, Glenn W. Dowlen, J.A. Edwards, Frank Ham, W. Battle Harris, Crews Henry, Oscar Hinger, Larry E. Holman, Mitchell Jones, E.E. Perkins, E. R. Reeves, C. F. Rogers, A. L. Walsh and R. D. Wheelock.

book by Miss Sharon Ruthart. Guests were greeted by Mrs. Ruthart who presented them to the receiving line which consisted of the honoree and her mother, Mrs. John Plank of Canyon, and the mother of the prospective bridegroom, Mrs. Clay Harbert of Dumas.

The honoree was presented with a green orchid corsage in keeping with her color scheme of yellow and green.

Yellow mums centered the refreshment table which was laid with a white organza cloth. Avocado tapers flanked the floral arrangement and appointments of crystal and silver were used.

Presiding at the serving table during the evening were Lynda Hughes, Sharon Scott, Nancy Hicks and Karen Ruthart.

Assisting Mrs. Ruthart with hostess duties were Mesdames C.J. Hughes, Orville Hicks, Genelle Bourland, Clark Jarnagin, J.T. Brown, Jack Taylor, Opal Parsons, John Whinnery, J.C. Newton, Ray Metcalf, J.R. Parker and Jack Parsons.

Farland, Eugene Sims, Evans Holland, Cone Johnson, Willard Middleton, S.G. Elliott, Babe Walberg, J.B. Sexton, John Payne, Burl Sims, Sam Bryan, M.D. Nichols, Cecil Wesley, Wayne McNeill, R.S. Francy and Maude Bowe.

Miss Shirley Miller and her fiancé, Bill Phillips, were honored Saturday evening, Aug. 13, with a backyard barbecue at the E.M. Myers home in Canyon.

Among guests for the occasion were Elo and Sharon Myers, Kenneth Brown and Carol Brawley, Barbara and Henry Buster, Larry Holman and Mr. and Mrs. Myers.

A dinner party honoring Miss Miller and Phillips was held Aug. 20 with Mrs. Robert P. Jarrett as hostess.

Colors in shades of yellow decorated the serving room. Mrs. Jarrett presented the couple with a sewing basket and utility chest and other guests brought items to place in the gifts.

Attending were Davis Price, Bob Begert, Jess Sheets, Larry Holman, Reggie Reeves, Elo Myers, Glen Ray Metcalf, Janet Gerald, Sharon Myers, Sam Owens, Beth Jarrett, Andy Lair, Ann Medlin, Wanda Phillips and Mrs. R.F. Phillips.

Andrews and Mrs. Preston Pritchard and Mrs. Lloyd Welch.

Mrs. Sam Parker, the former Lois Looney, was honored with a kitchen gadget coffee in the home of Mrs. Ricky Mantooth at Happy, August 16.

Guests were received by the honoree and her mother, Mrs. Irving Looney. Coffee and donuts were served during the occasion. The centerpiece was a rolling pin, hanging from the ceiling, decorated with the wedding date and pink and white rose clusters.

Attending the event were Mesdames Vondell Killingsworth, Myrna Taylor, Sherry Walker, Ruth Maynard, Lanelle Todd and Mildred Zachary.

A dinner party honoring Miss Carolyn McDowell was held recently in the Clayton Devin

home in Happy.

Miss McDowell will become the bride of Carroll Robertson in a September 17 wedding ceremony.

The honoree was feted with a personal shower by guests attending the event.

A lingerie shower honoring Miss Bonnie K. Harman, bride-elect of William Leitch, was held recently in the home of Mrs. John F. Toles of Happy.

The bride-elect's chosen colors of yellow and orange were used in the floral arrangement for the tea table.

Summer salad and cheese bread were served by Miss Martha Toles and Mrs. Poe Cabe presided at the ice tea service.

Corsages of yellow glamelias were presented to the honoree and her mother, Mrs. Foster Harman, by the hostesses, Mrs. Toles and Mrs. Willard Middleton.

OUR OBEYING DRUG LAWS PROTECTS YOU FROM HARM

Most of today's prescription medicines can be depended upon to produce a desired benefit. That is why no sickness should terrify you. Your physician can prescribe medicines which can cure or give relief from distressing symptoms. Because some drugs are very potent, there are laws regulating the refilling of a new prescription from the physician. Others can be refilled as often as the physician specifies on the prescription.

We obey these laws. They are for your benefit. Your health comes before profits. When you ask us to refill a restricted prescription we will be glad to phone your physician for instructions. Whatever he directs, we will do.

YOUR DOCTOR CAN PHONE US when you need a medicine. Pick up your prescription if shopping nearby, or we will deliver promptly without extra charge. A great many people entrust us with their prescriptions. May we compound yours?

ZTAs Plan Year

Zeta Tau Alpha alumnae of Canyon's chapter were entertained at noon Saturday with an informal luncheon and business session during which outlines of plans and projects for the year were made.

Mrs. Steve Hill, president officiated at the business session.

Attending the event were Mesdames Hill, George Blackwell, Stan Elliott, Hosea Foster Keith Jones, Bruce Kimery Huelyn Laycock, Robert Leveridge, Hud Prichard, Warren Rutherford, A.L. Walsh, A.M. Warren and Louis Henders, all of Canyon. Also attending were Mrs. David Dearing of Amarillo, Mrs. Don Duncan of Big Springs and Mrs. M.H. Richie of Hereford.

Picnic Set For Clubs

A combined picnic for members of the Social Pioneers and the Canyon Mother-in-Law Club will be held tonight, Thursday, at the T.T. Fain home in Canyon.

Activities get underway at 7 p.m. at the Fain home, 1301 Fourth Avenue.

All members of the two clubs are urged to attend and provide a covered dish for the supper. Drinks will be furnished.

McCarters Return Home

Mr. and Mrs. T.B. McCarter have returned from a three week summer vacation to New York where they were houseguests of their son, G. B. McCarter and his wife, Bess, and their children, Kerry, Sherry and Terry.

The McCarters made the trip by plane and were five hours in flight. Since their return to Canyon the McCarters' grandchildren have left on various tours of the south and west part of the United States.

Grandson, Kerry, is with a group of scouts this week at Philmont Scout Ranch in New Mexico and granddaughter, Sherry, is on a tour of the deep South with friends from New York. Son, G. B., has gone to Paris, France to attend IBM School and his wife, Bess, and youngest son, Terry, are spending a few days in Washington, D.C.

PUBLIC NOTICE

Proposed CONSTITUTIONAL AMENDMENT NUMBER FOUR ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1966.

HOUSE JOINT RESOLUTION NO. 21 proposing an Amendment to Article XVI, Constitution of the State of Texas, relating to the terms of office of directors of conservation and reclamation districts.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS: Section 1. That Article XVI, Constitution of the State of Texas, be amended by adding a new Section to read as follows:

"Section 30c. (a) The terms of office of persons serving on the governing body of a political subdivision of the State created to further the purposes of Section 52, Article III, or Section 59, Article XVI, of this Constitution, shall never exceed six years.

(b) Statutory provisions enacted before the first Tuesday after the first Monday in November, 1966, relating to the terms of office of governing bodies of political subdivisions created to further the

purposes of Section 52, Article III, or Section 59, Article XVI, are validated, so long as the provisions do not provide for a term of office which exceeds six years."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, 1966, at which election all ballots shall have printed on them the following:

"FOR the Constitutional Amendment changing the maximum term of office of directors of conservation and reclamation districts from two to six years.

"AGAINST the Constitutional Amendment changing the maximum term of office of directors of conservation and reclamation districts from two to six years."

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for the election and this Amendment shall be published in the manner and for the length of time required by the Constitution and Laws of this State.

Supply Transportation

TRANSPORTATION for five Canyon youths who attended a Texas Youth Conference in Austin last week was furnished by Stevenson Pontiac-Buick. Accepting keys to the 1966 Buick

from T. S. Stevenson, Jr. is Randall County Sheriff L. S. "Slim" Johnston. Crosby Hammons, deputy and dispatcher, accompanied the boys.

Farewell Event For Mrs. Miller

A farewell coffee honoring Mrs. John Miller was held last week at the Fred Begert home in Canyon.

The informal affair was attended by a number of friends of Mrs. Miller, who will be moving to Fort Knox, Ky. in the near future.

Mrs. Miller was presented with a farewell gift.

Present for the occasion were Mesdames Marion Allen, Birl Davis, Jimmy Brasher, Bill Martin, Bill May, Alan Ratliff, V.R. Reynolds, and Lynn Williams.

Sidewalk Art Show Planned

Woman's Book Club will sponsor an annual "sidewalk art show" during mid-October which is open to entrants from throughout the area.

The event is tentatively set for October 15-16 at Stevenson Pontiac-Buick showrooms. Registration will be conducted in the near future and further rules and regulations will be outlined according to Mrs. C.L. Wilson, chairman.

Fall Fashions Program Topic

Fall fashions will be the program topic for September meetings of the Randall County Home Demonstration Clubs.

Mrs. Kate Gamble, Home Demonstration Agent, will present these programs which include displays of fabrics, styles and accessories.

Local Girl On Mission

"Guadalajara is a beautiful city in a beautiful country--and the Mexican people are warm and friendly," reports Miss Phyllis Hunnicutt of Canyon.

Miss Hunnicutt, daughter of Mr. and Mrs. Lawrence Hunnicutt, is participating in a summer missionary program for the First Baptist Church of Canyon at Guadalajara, Mexico. She will return to Canyon August 28 after a month's work with the mission.

Extension Service Has State Meeting

Gov. John Connally will keynote the Texas Agricultural Extension Service State Conference being held at Texas A. & M. for all county agents and county home demonstration agents.

Topic of this speech will be "Mobilizing Our Resources To Meet The Challenge of A Changing Texas."

The conference which opens with registration Monday and lasts through Sept. 2 is being attended by John Brazzil, County Agent, and Mrs. Kate Gamble, Randall County Home Demonstration Agent.

Also scheduled to speak to the group will be Dr. W. A. Lafburrow of Houston, executive vice-president of Goodwill, Industries; Dr. E. B. Erons, president of Prairie View A. & M.; Dr. C. Brice Ratchford, vice-presi-

dent for Extension, University of Missouri at Columbia, Mo.; Dr. George Beto, Texas Dept. of Corrections at Huntsville; Dr. James Riley, pastor of Second Baptist Church of Houston, Dr. Carl S. Winters of General Motors Corp., Detroit Mich.; Sterling Evans, member of the Board of Directors of Texas A. & M. and Lloyd H. Davis, Administrator of the Federal Extension Service.

Theme for the conference is "Mobilizing Our Potential In A Changing World."

Speakers and general sessions are scheduled each morning of the Conference with training sessions and workshops set for the afternoons.

A banquet for all extension staff members will be sponsored by Epsilon Sigma Phi, extension service fraternity.

Honor Awards Scheduled For Canyon City Masons

Honor Roll Awards will be presented to two Masonic Lodges of the area at a special workshop set for Tuesday in the Masonic Lodge Hall in Canyon.

Canyon City Lodge No. 730 and Palo Duro Lodge No. 1239 of Amarillo will receive the awards which are given by the Grand Lodge of Texas in recognition of outstanding attendance at the spring series of Masonic Workshop programs.

Awards will be presented by James W. Cabe of Canyon, who

is chairman of the eight-county workshop area.

Cabe will also conduct the 8 p.m. workshop meeting and numerous other area lodges have been invited to attend. Nearly 200 such workshop meetings are held twice each year for officers and members of over 970 Masonic Lodges in Texas.

Going somewhere? Or been? The Canyon News wants to know about it -- and so do its readers.

Seeking Postal Workers

The Canyon Post Office is seeking applications from local residents who are interested in becoming postal clerks or city carriers. Postmaster Marion Higdon has announced.

Persons who apply and who pass a written test given by the Civil Service Commission will be placed on a list of eligibles, and will be considered for future job openings. Clerks and carriers are now

paid a starting rate of \$2.64 per hour, with annual increases for six years to \$3.17 an hour and additional increases every three years to \$3.60 an hour.

Anyone interested in a career in the postal service may obtain complete information from Higdon, or from the Executive Secretary, Post Office Establishment Board, US Post Office, Fort Worth.

AMARILLO'S 50-member choir from the First Assembly of God Church will be featured in an afternoon dedication service at the new building of the Canyon Assembly of God Church Sunday afternoon at 2 p.m. The remainder of the afternoon will be an official open house for the new facilities of the church. The public is invited for the occasion.

Assembly Of God Dedication

Dedicatory services for the new building of the First Assembly of God Church will be held Sunday, August 28.

The dedicatory message will

be given by Rev. Haskell Rogers, West Texas District Council superintendent of Assembly of God Churches from Lubbock, at the 11 a.m. worship service. The dedicatory prayer will be by Rev. E.R. Foster of Amarillo.

Special services will be held at 2 p.m. Sunday afternoon with Rev. Charles Davis of Amarillo as guest speaker and another feature of the afternoon program will be five musical

numbers by a 50-member choir of the First Assembly of God Church of Amarillo.

An open house is slated at the church between 3-7 p.m. with an invitation to view the auditorium, which has a seating capacity of 318, the Sunday School classrooms, the nursery, the toddler's room, the new kitchen, the pastor's study, and the Fellowship Hall, which seats 225.

The new building, located at 2318 13th Ave. has a total of 14,751 square feet according to Rev. A.J. Pettit, pastor. Throughout the open house women of the church will serve refreshments.

Fire Ruins Landmark

A fire recently destroyed a landmark house one mile south of Happy, which was owned by Leo Uselding.

Happy Fire Department was called to the scene but damage was total to the house, which had been built in 1904.

The house was built three years before the town of Happy was moved to its present location. Prior to that time Happy was at the present scene of the Squad Hurst home.

Post Returns Relatives Are Honored From Canada

Explorer Post 31 has returned from a 12 day summer outing to Cranberry Portage, Manitoba, Canada.

The troop of Canyon scouts and sponsors caught an estimated 100 northern pike, trout, and pickerel during their stay.

Scouts making the trip were Steven Downing, Tom Callaman, and Bill Widick. Adult sponsors were M.S. Bill Downing, Sam Brillhart and Jimmy Newton.

Buying? Selling? Use the classified advertising pages of The Canyon News. Telephone OL-5-2141.

Relatives Are Honored

Mr. and Mrs. Gerald Ludlum of Patterson, Calif., were guests of honor at a silver anniversary surprise party in the home of her sister, Mr. and Mrs. Archie Davis, recently.

The occasion also served as a surprise birthday party for another sister of Mrs. Davis, Mrs. Buelah McCoy.

Cake and ice cream were served to some 50 relatives attending the occasion. The Ludlums and son, Monte, have been visiting for several weeks in the Canyon area with friends and relatives. Mrs. Ludlum is the former Fern Rogers of Canyon.

PUBLIC NOTICE

Proposed CONSTITUTIONAL AMENDMENT NUMBER ONE ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1966.

HOUSE JOINT RESOLUTION NO. 79 proposing an amendment to Article VIII, Constitution of the State of Texas, by adding Section 1-d to provide that all land owned by natural persons designated for agricultural use shall be assessed for all tax purposes on the consideration of only those factors relative to such agricultural use.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article VIII, Constitution of the State of Texas, be amended by adding Section 1-d to read as follows: "Section 1-d. (a) All land owned by natural persons which is designated for agricultural use in accordance with the provisions of this Section shall be assessed for all tax purposes on the consideration of only those factors relative to such agricultural use. 'Agricultural use' means the raising of livestock or growing of crops, fruit, flowers, and other products of the soil under natural conditions as a business venture for profit, which business is the primary occupation and source of income of the owner.

(b) For each assessment year the owner wishes to qualify his land under provisions of this Section as designated for agricultural

use he shall file with the local tax assessor a sworn statement in writing describing the use to which the land is devoted.

(c) Upon receipt of the sworn statement in writing the local tax assessor shall determine whether or not such land qualifies for the designation as to agricultural use as defined herein and in the event it so qualifies he shall designate such land as being for agricultural use and assess the land accordingly.

(d) Such local tax assessor may inspect the land and require such evidence of use and source of income as may be necessary or useful in determining whether or not the agricultural use provision of this article applies.

(e) No land may qualify for the designation provided for in this Act unless for at least three (3) successive years immediately preceding the assessment date the land has been devoted exclusively for agricultural use, or unless the land has been continuously developed for agriculture during such time.

(f) Each year during which the land is designated for agricultural use, the local tax assessor shall note on his records the valuation which would have been made had the land not qualified for such designation under this Section. If designated land is subsequently diverted to a purpose other than that of agricultural use, or is sold, the land shall be subject to an additional

tax. The additional tax shall equal the difference between taxes paid or payable, hereunder, and the amount of tax payable for the preceding three years had the land been otherwise assessed. Until paid, there shall be a lien for additional taxes and interest on land assessed under the provisions of this Section.

(g) The valuation and assessment of any minerals or subsurface rights to minerals shall not come within the provisions of this Section.

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, 1966, at which election all ballots shall have printed on them the following:

"FOR the Constitutional Amendment to provide that all land owned by natural persons designated for agricultural use shall be assessed for all tax purposes on the consideration of only those factors relative to such agricultural use."

"AGAINST the Constitutional Amendment to provide that all land owned by natural persons designated for agricultural use shall be assessed for all tax purposes on the consideration of only those factors relative to such agricultural use."

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for the election and this Amendment shall be published in the manner and for the length of time as required by the constitution and laws of this state.

Fishlife Improving At Buffalo

Fishery biologists, checking fish populations at Buffalo Lake, have reported picking up a six-inch walleye in excellent condition.

Leo Lewis, regional fishery supervisor, said that "the thriving specimen is one of 500,000 walleye fry stocked in Buffalo Lake three months ago as part of an experimental program started in 1964."

The first experimental introduction of several thousand northern pike in Buffalo Lake apparently was a failure, since none have been recovered. The stocking programs are supervised by the Federal Bureau of Sport Fisheries and Wildlife according to Bob Brown, manager of the Buffalo Lake National Wildlife Refuge.

The Walleye predators are believed to be more adaptable to Texas waters than voracious northern pike. In addition to the half million already released, some 60,000 walleye fingerlings will be placed in Buffalo Lake later this summer.

PUBLIC NOTICE

Proposed CONSTITUTIONAL AMENDMENT NUMBER TWO ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1966.

SENATE JOINT RESOLUTION NO. 1 proposing an Amendment to Article IX of the Constitution of Texas by adding thereto a new Section to be known as Section 12;

authorizing the Legislature to provide by law for the creation, establishment, maintenance and operation of Airport Authorities composed of one or more counties; authorizing the creation of a board of directors by appointment or election; providing that the membership of the board shall be based upon the proportionate part of the population of each county, with no county having less than one member; providing for the necessary election; authorizing the levy of an annual tax not to exceed Seventy-Five Cents (75c) per One Hundred Dollars (\$100) valuation; provided, however, that the property of state regulated common carriers required by law to pay a tax upon intangible assets shall not be subject to taxation by the Authority; authorizing the Authority to employ or appoint an assessor and collector of taxes whose duty it shall be to assess and collect the taxes on the tax rolls approved by the Board of Directors of said Authority; said taxes to be assessed equally and uniformly throughout the county or counties, comprising the Authority, as required by the Constitution; granting to such Authority the power to acquire by purchase, or through eminent domain proceedings existing publicly financed airport properties or other sites necessary to have and to improve the same, power to issue and sell general obligation bonds and revenue bonds, or either of them; authorizing the assumption of outstanding indebtedness secured by general obligation bonds and assuming the obligations of the city or cities under ordinances and bond indentures under which revenue bonds have been issued and sold; to enact zoning regulations and other measures to protect the airport facilities from hazards and obstructions; providing for the adding of an additional county or counties to the Authority.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article IX of the Constitution of the State of Texas be amended by adding thereto a new Section to be known as Section 12, reading as follows:

"Section 12. The Legislature may by law provide for the creation, establishment, maintenance and operation of Airport Authorities composed of one or more counties, with power to issue general obligation bonds, revenue bonds, or either of them, for the purchase, acquisition, reconstruction, repair or renovation of any airport or airports, landing fields and runways, airport buildings, hangars, facilities, equipment, fixtures, and any and all property, real or personal, necessary to operate, equip and maintain an airport; shall provide for the option by the governing body of the city or cities whose airport facilities are served by certificated airlines and whose facility or some interest therein, is proposed to be or has been acquired by the Authority, to either appoint or elect a Board of Directors of said Authority; if the Directors are appointed such appointment shall be made by the County Commissioners Court after consultation with and consent of the governing body or bodies of such city or cities, and if the Board of Directors is elected they shall be elected by the qualified taxpayers voters of the county which chooses to elect the Directors to represent that county; such Directors shall serve without compensation for a term fixed by the Legislature not to exceed six (6) years, and shall be selected on the basis of the proportionate population of each county based upon the last preceding Federal Census, and shall be a resident or residents of such county; provide that no county shall have less than one (1) member on the Board of Directors; provide for the holding of an election in each county proposing the creation of an Authority to be called by the Commissioners Court or Commissioners Courts, as the case may be, upon petition of five per cent (5%) of the qualified taxpayers voters within the county or counties, said elections to be held on the same day if more than one county is included, provided that no more than one (1) such election may be called in a county until after the expiration of one (1) year; in the event such an election has failed, and thereafter only upon a petition of ten per cent (10%) of the qualified taxpayers voters being presented to the Commissioners Court or Commissioners Courts of the county or counties in which such an election has failed, and in the event that two or more counties vote on the proposition of the creation of an Authority therein, the proposition shall not be deemed to carry unless the majority of the qualified taxpayers voters in each county voting

thereon vote in favor thereof; provided, however, that an Airport Authority may be created and be composed of the county or counties that vote in favor of its creation; if separate propositions are submitted to the voters of each county so that they may vote for a two or more county Authority or a single county Authority; provide for the appointment by the Board of Directors of an Assessor and Collector of Taxes in the Authority, whether constituted of one or more counties, whose duty it shall be to assess all taxable property, both real and personal, and collect the taxes thereon, based upon the tax rolls approved by the Board of Directors, the tax to be levied not to exceed Seventy-Five Cents (75c) per One Hundred Dollars (\$100) assessed valuation of the property, provided, however, that the property of state regulated common carriers required by law to pay a tax upon intangible assets shall not be subject to taxation by the Authority; said taxable property shall be assessed on a valuation not to exceed the market value and shall be equal and uniform throughout the Authority as is otherwise provided by the Constitution; the Legislature shall authorize the purchase or acquisition by the Authority of any existing airport facility publicly owned and financed and served by certificated airlines, in fee or of any interest therein, or to enter into any lease agreement therefor, upon such terms and conditions as may be mutually agreeable to the Authority and the owner of such facilities, or authorize the acquisition of same through the exercise of the power of eminent domain, and in the event of such acquisition, if there are any general obligation bonds that the owner of the publicly owned airport facility has outstanding, the same shall be fully assumed by the Authority and sufficient taxes levied by the Authority to discharge said outstanding indebtedness; and likewise any city or owner that has outstanding revenue bonds where the revenues of the airport have been pledged or said bonds constitute a lien against the airport facilities, the Authority shall assume and discharge all the obligations of the city under the ordinances and bond indentures under which said revenue bonds have been issued and sold. Any city which owns airport facilities not serving certificated airlines which are not purchased or acquired or taken over as herein provided by such Authority, shall have the power to operate the same under the existing laws or as the same may hereafter be amended. Any such Authority when created may be granted the power and authority to promulgate, adopt and enforce appropriate zoning regulations to protect the airport from

hazards and obstructions which would interfere with the use of the airport and its facilities for landing and take-off; and an additional county or counties may be added to an existing Authority if a petition of five per cent (5%) of the qualified taxpayers voters is filed with and an election is called by the Commissioners Court of the county or counties seeking admission to an Authority and the vote is favorable, then admission may be granted to such county or counties by the Board of Directors of the then existing Authority upon such terms and conditions as they may agree upon and evidenced by a resolution approved by two-thirds (2/3rds) of the then existing Board of Directors, provided, however, the county or counties that may be so added to the then existing Authority shall be given representation on the Board of Directors by adding additional directors in proportion to their population according to the last preceding Federal Census."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in November, 1966, at which election all ballots shall have printed thereon the following:

"FOR the addition of Section 12 of Article IX of the Constitution, authorizing the Legislature to provide by law for the creation, establishment, maintenance and operation of Airport Authorities composed of one or more counties, and authorizing the levy of a tax not to exceed Seventy-Five Cents (75c) on the One Hundred Dollars (\$100) valuation of all taxable property within such Airport Authority except the property of state regulated common carriers required by law to pay a tax upon intangible assets, after approval of its voters."

"AGAINST the addition of Section 12 of Article IX of the Constitution, authorizing the Legislature to provide by law for the creation, establishment, maintenance and operation of Airport Authorities composed of one or more counties, and authorizing the levy of a tax not to exceed Seventy-Five Cents (75c) on the One Hundred Dollars (\$100) valuation of all taxable property within such Airport Authority except the property of state regulated common carriers required by law to pay a tax upon intangible assets, after approval of its voters."

Sec. 3. The Governor of Texas shall issue the necessary proclamation for the election and this Amendment shall be published in the manner and for the length of time as required by the Constitution and laws of this state.

thereon vote in favor thereof; provided, however, that an Airport Authority may be created and be composed of the county or counties that vote in favor of its creation; if separate propositions are submitted to the voters of each county so that they may vote for a two or more county Authority or a single county Authority; provide for the appointment by the Board of Directors of an Assessor and Collector of Taxes in the Authority, whether constituted of one or more counties, whose duty it shall be to assess all taxable property, both real and personal, and collect the taxes thereon, based upon the tax rolls approved by the Board of Directors, the tax to be levied not to exceed Seventy-Five Cents (75c) per One Hundred Dollars (\$100) assessed valuation of the property, provided, however, that the property of state regulated common carriers required by law to pay a tax upon intangible assets shall not be subject to taxation by the Authority; said taxable property shall be assessed on a valuation not to exceed the market value and shall be equal and uniform throughout the Authority as is otherwise provided by the Constitution; the Legislature shall authorize the purchase or acquisition by the Authority of any existing airport facility publicly owned and financed and served by certificated airlines, in fee or of any interest therein, or to enter into any lease agreement therefor, upon such terms and conditions as may be mutually agreeable to the Authority and the owner of such facilities, or authorize the acquisition of same through the exercise of the power of eminent domain, and in the event of such acquisition, if there are any general obligation bonds that the owner of the publicly owned airport facility has outstanding, the same shall be fully assumed by the Authority and sufficient taxes levied by the Authority to discharge said outstanding indebtedness; and likewise any city or owner that has outstanding revenue bonds where the revenues of the airport have been pledged or said bonds constitute a lien against the airport facilities, the Authority shall assume and discharge all the obligations of the city under the ordinances and bond indentures under which said revenue bonds have been issued and sold. Any city which owns airport facilities not serving certificated airlines which are not purchased or acquired or taken over as herein provided by such Authority, shall have the power to operate the same under the existing laws or as the same may hereafter be amended. Any such Authority when created may be granted the power and authority to promulgate, adopt and enforce appropriate zoning regulations to protect the airport from

hazards and obstructions which would interfere with the use of the airport and its facilities for landing and take-off; and an additional county or counties may be added to an existing Authority if a petition of five per cent (5%) of the qualified taxpayers voters is filed with and an election is called by the Commissioners Court of the county or counties seeking admission to an Authority and the vote is favorable, then admission may be granted to such county or counties by the Board of Directors of the then existing Authority upon such terms and conditions as they may agree upon and evidenced by a resolution approved by two-thirds (2/3rds) of the then existing Board of Directors, provided, however, the county or counties that may be so added to the then existing Authority shall be given representation on the Board of Directors by adding additional directors in proportion to their population according to the last preceding Federal Census."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in November, 1966, at which election all ballots shall have printed thereon the following:

"FOR the addition of Section 12 of Article IX of the Constitution, authorizing the Legislature to provide by law for the creation, establishment, maintenance and operation of Airport Authorities composed of one or more counties, and authorizing the levy of a tax not to exceed Seventy-Five Cents (75c) on the One Hundred Dollars (\$100) valuation of all taxable property within such Airport Authority except the property of state regulated common carriers required by law to pay a tax upon intangible assets, after approval of its voters."

Sec. 3. The Governor of Texas shall issue the necessary proclamation for the election and this Amendment shall be published in the manner and for the length of time as required by the Constitution and laws of this state.

PUBLIC NOTICE

Proposed CONSTITUTIONAL AMENDMENT NUMBER ELEVEN ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1966.

SENATE JOINT RESOLUTION NO. 19 proposing an Amendment to Section 49-d, Article III of the Constitution of the State of Texas, declaring state policy regarding optimum development of water reservoirs; providing for the use of the Texas Water Development Fund under such conditions as the Legislature may prescribe by General Law in the acquisition and development of storage facilities and any system of works properly appurtenant thereto; providing for the sale, lease or transfer of such facilities under General Laws; providing for long-term contracts for water storage facilities; authorizing the issuance of an additional \$200,000,000 in bonds by the Texas Water Development Board upon a two-thirds (2/3) vote of the elected members of each house; providing that anticipatory legislation shall not be invalid because of its anticipatory character; providing for the necessary election, form of ballot, and proclamation and publication.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 49-d of Article III of the Constitution of the State of Texas be amended to read as follows:

"Section 49-d. It is hereby declared to be the policy of the State of Texas to encourage the optimum development of the limited number of feasible sites available for the construction or enlargement of dams and reservoirs for conservation of the public waters of the state, which waters are held in trust for the use and benefit of the public. The proceeds from the sale of the additional bonds authorized hereunder deposited in the Texas Water Development Fund and the proceeds of bonds previously authorized by Article III, Section 49-c of this Constitution, may be used by the Texas Water Development Board, under such provisions as the Legislature may prescribe by General

Law, including the requirement of a permit for storage or beneficial use, for the additional purposes of acquiring and developing storage facilities, and any system or works necessary for the filtration, treatment and transportation of water from storage to points of treatment, filtration and/or distribution, including facilities for transporting water therefrom to wholesale purchasers, or for any one or more of such purposes or methods; provided, however, the Texas Water Development Fund or any other state fund provided for water development, transmission, transfer or filtration shall not be used to finance any project which contemplates or results in the removal from the basin of origin of any surface water necessary to supply the reasonably foreseeable future water requirements for the next ensuing fifty-year period within the river basin of origin, except on a temporary, interim basis.

"Under such provisions as the Legislature may prescribe by General Law the Texas Water Development Fund may be used for the conservation and development of water for useful purposes by construction or reconstruction or enlargement of reservoirs constructed or to be constructed or enlarged within the State of Texas or on any stream constituting a boundary of the State of Texas, together with any system or works necessary for the filtration, treatment and/or transportation of water, by any one or more of the following governmental agencies: by the United States of America or any agency, department or instrumentality thereof; by the State of Texas or any agency, department or instrumentality thereof; by political subdivisions or bodies politic and corporate of the state; by interstate compact commissions to which the State of Texas is a party; and by municipal corporations. The Legislature shall provide by law the terms and conditions under which the Texas Water Development Board may sell, transfer or lease, in whole or in part, any reservoir and associated system or works

which the Texas Water Development Board has financed in whole or in part.

"Under such provisions as the Legislature may prescribe by General Law, the Texas Water Development Board may also execute long-term contracts with the United States or any of its agencies for the acquisition and development of storage facilities in reservoirs constructed or to be constructed by the Federal Government. Such contracts when executed shall constitute general obligations of the State of Texas in the same manner and with the same effect as state bonds issued under the authority of the preceding Section 49-c of this Constitution, and the provisions in said Section 49-c with respect to payment of principal and interest on state bonds issued shall likewise apply with respect to payment of principal and interest required to be paid by such contracts. If storage facilities are acquired for a term of years, such contracts shall contain provisions for renewal that will protect the state's investment."

"The aggregate of the bonds authorized hereunder shall not exceed \$200,000,000 and shall be in addition to the aggregate of the bonds previously authorized by said Section 49-c of Article III of this Constitution. The Legislature upon two-thirds (2/3) vote of the elected members of each House, may authorize the Board to issue all or any portion of such \$200,000,000 in additional bonds herein authorized."

"The Legislature shall provide terms and conditions for the Texas Water Development Board to sell, transfer or lease, in whole or in part, any acquired storage facilities or the right to use such storage facilities together with any associated system or works necessary for the filtration, treatment or transportation of water at a price not less than the direct cost of the Board in acquiring same; and the Legislature may provide terms and conditions for the Board to sell any unappropriated public waters of the state that might be stored in such facilities. As a prerequisite to the purchase of such storage or water, the applicant therefor shall have secured a valid permit from the Texas Water Commission or its successor authorizing the

acquisition of such storage facilities or the water impounded therein. The money received from any sale, transfer or lease of storage facilities or associated system or works shall be used to pay principal and interest on state bonds issued or contractual obligations incurred by the Texas Water Development Board, provided that when money is insufficient to pay the full amount of indebtedness then outstanding and the full amount of interest to accrue thereon, any further sums received from the sale, transfer or lease of such storage facilities or associated system or works may be used for the acquisition of additional storage facilities or associated system or works or for providing financial assistance as authorized by said Section 49-c. Money received from the sale of water, which shall include standby service, may be used for the operation and maintenance of acquired facilities, and for the payment of principal and interest on debt incurred.

"Should the Legislature enact enabling laws in anticipation of the adoption of this Amendment, such Acts shall not be void by reason of their anticipatory character."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in November, 1966, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment authorizing the issuance of an additional \$200,000,000 in Texas Water Development Bonds and providing for further investment of the Texas Water Development Fund in reservoirs and associated facilities."

"AGAINST the Constitutional Amendment authorizing the issuance of an additional \$200,000,000 in Texas Water Development Bonds and providing for further investment of the Texas Water Development Fund in reservoirs and associated facilities."

Sec. 3. The Governor of Texas shall issue the necessary proclamation for the election and this Amendment shall be published in the manner and for the length of time as required by the Constitution and laws of this state.

Farm Bureau Pays School Expenses

Lloyd Childers and Ray Gerber, members of the Canyon and Umbarger Fire Departments respectively, received a check for their expenses at a fire-fighting school held recently. R. B. Gist, Jr., president of the Randall County Farm Bureau, made the presentation.

They were among 140 firemen from almost 100 counties who

Tres Ritos Trip For Troop 66

Some 22 scouts of Boy Scout Troop 66 have returned from a long week end outing at Tres Ritos, N.M. where they went fishing, camping and hiking.

Bob Brotherton, scoutmaster, and Ross Russell, assistant scoutmaster, accompanied the group of scouts. Also attending the outing was Louis Machuca, district scout executive, from Hereford and Canyon fathers including Marvin Salmon, Robert Hendrickson, Troy Martin, J.L. Markham, and Frank Daugherty.

attended the school under the sponsorship of the Randall County Farm Bureau and the Texas Farm Bureau Insurance Companies. The school was conducted on the campus of Texas A & M. College Station. The men studied the latest in fire-fighting techniques and special programs in rural fire fighting were held.

Others attending from the CFD were Nathan Watson, Robert Rogers and Bob Glanton. Glanton received training in fire marshall's work, inspection methods, public relations, and arson investigation.

The program was sponsored by the State Firemen's and Fire Marshall's Association in conjunction with A & M's extension service.

Visiting recently in the Ed Weeks and Elmer Clement homes have been Mrs. Herbert King of Fresno, Calif.; Mrs. Odessa Crumpton of Quanah; Mr. and Mrs. Wood Whitley of Lamar, Colo.; Mr. and Mrs. Tom Porter and family of Ounda, Calif. and the A. G. Pattersons and Bill Mayfield families of Canyon.

FARM BUREAU CHECKS were presented recently to Ray Gerber, left, a member of the Umbarger Fire Department and Lloyd Childers of the Canyon Fire Department from FB President R. B. Gist, Jr. The checks will defray expense of a recent trip to a firefighting school at Texas A & M, partially sponsored by the Randall County Farm Bureau.

Fishing Permits Expire Aug. 31

All Texas fishing and hunting licenses expire Aug. 31 of each

season. This applies to all licenses, no matter when they were purchased, said W.A. "Bill" Wilson, Randall County Justice of the Peace.

Penalty, he said, for hunting or fishing with a non-valid license is not less than \$10 and no more than \$100 for the misdemeanor offense.

"We urge all sportsmen to obtain their new license as there is no grace period," according to Wilson.

The fishing licenses, that are available from local wardens, county clerks, bait dealers and most hardware stores, cost \$2.15 each.

Hunting season will open on antelope, squirrel, deer and turkey Oct. 1 and archer's season on turkey in the county will run from Oct. 1-18. Regular open season on turkeys will be Nov. 12-29.

Oct. 1 through Dec. 1 has been designated open season on squirrel with a bag and possession limit of five per day.

Season on antelope, which may be hunted by permit only, will be Oct. 1 through Oct. 4 with a bag limit of one per season.

Archery "buffs" may try their luck on deer Oct. 1-18, with regular season opening Nov. 12 and continuing through Nov. 29 with a bag limit of one. Antlerless deer may be taken by permit only.

Quail bag and possession limits will be 12 and 36 and the season opens Nov. 12 and continues through Jan. 31. Pheasant season will be Dec. 1-7 with a bag limit on two cocks and possession limit of four cock pheasants.

Aoudad sheep may be hunted by permit only during the open season of Dec. 9-11 with a bag limit of one per person. A large number of Aoudad sheep should be available in the Palo Duro Canyon country, according to the Texas Parks and Wildlife Department in Austin.

Local Schools Set Holidays

The first official holiday for students of the Canyon Independent School District will be Labor Day, September 5.

Also in September, school will be dismissed for Tri-State Fair day on the 19th.

Thanksgiving holidays will be November 24-25.

Christmas holidays will be

observed December 22 through January 3 with classes to resume on January 4.

A holiday for students will come in March when the Northwest Texas Teachers Conference convenes on the 10th. Easter vacation will be March 23-27 and schools will officially close on May 26, 1967.

Week end houseguests of Mr. and Mrs. Carl Miller and daughter, Carolyn, were Mrs. Olga Long of Porter, Garvin Long and Marvin of Maple. Joining the group for lunch Sunday was Ada Finley of Amarillo.

Going somewhere? Or been? The Canyon News wants to know about it -- and so do its readers.

PUBLIC NOTICE

Proposed CONSTITUTIONAL AMENDMENT NUMBER TEN ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1966.

HOUSE JOINT RESOLUTION NO. 65 proposing an Amendment to Section 3-b of Article VII of the Constitution of Texas providing that school taxes theretofore voted in any independent school district or in any junior college district shall not be abrogated, cancelled or invalidated by a change in boundaries nor shall bonds voted, but unissued, at the time of such change, be invalidated by such change; authorizing the levy of taxes after such change without further election in the district as changed; providing an exception in the case of the annexation or consolidation of whole districts; providing for an election and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 3-b of Article VII of the Constitution of Texas be amended to be and read as follows:

"Section 3-b. No tax for the maintenance of public free schools voted in any independent school district and no tax for the maintenance of a junior college district, nor any bonds voted in any such district, but unissued, shall be abrogated, cancelled or invalidated by change of any kind in the boundaries thereof. After any change in boundaries, the governing body of any such district, without the necessity of an additional election, shall have the power to assess, levy and collect ad valorem taxes

on all taxable property within the boundaries of the district as changed, for the purposes of the maintenance of public free schools or the maintenance of a junior college, as the case may be, and the payment of principal of and interest on all bonded indebtedness outstanding against, or attributable, adjusted or allocated to, such district or any territory therein, in the amount, at the rate, or not to exceed the rate, and in the manner authorized in the district prior to the change in its boundaries, and further in accordance with the laws under which all such bonds, respectively, were voted; and such governing body also shall have the power, without the necessity of an additional election, to sell and deliver any unissued bonds voted in the district prior to any such change in boundaries, and to assess, levy and collect ad valorem taxes on all taxable property in the district as changed, for the payment of principal of and interest on such bonds in the manner permitted by the laws under which such bonds were voted. In those instances where the boundaries of any such independent school district are changed by the annexation of, or consolidation with, one or more whole school districts, the taxes to be levied for the purposes hereinabove authorized may be in the amount or at not to exceed the rate theretofore voted in the district having at the time of such change the greatest scholastic population according to the latest scholastic census and only the unissued bonds of such district voted prior to such change, may be

subsequently sold and delivered and any voted, but unissued, bonds of other school districts involved in such annexation or consolidation shall not thereafter be issued."

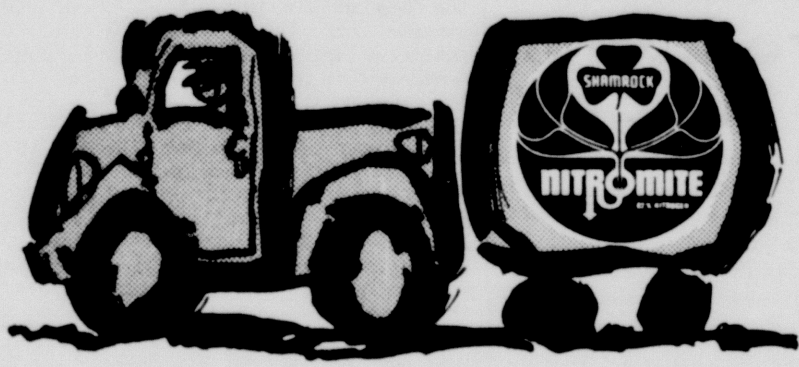

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held throughout the State of Texas on the first Tuesday after the first Monday in November, 1966, at which election all ballots shall have printed thereon the following:

"FOR the Amendment to Section 3-b of Article VII of the Constitution of Texas providing that taxes or bonds previously voted in any independent school district or in any junior college district shall not be abrogated, cancelled or invalidated by any change in boundaries and authorizing the continuance of the levy of taxes after such change without further election."

"AGAINST the amendment to Section 3-b of Article VII of the Constitution of Texas providing that taxes or bonds previously voted in any independent school district or in any junior college district shall not be abrogated, cancelled or invalidated by any change in boundaries and authorizing the continuance of the levy of taxes after such change without further election."

If it appears from the returns of said election that a majority of the votes cast were in favor of said Amendment, the same shall become a part of the State Constitution and be effective on and after the date of its adoption.

Sec. 3. The Governor shall issue the necessary proclamation for said election, and shall have the same published as required by the Constitution and Laws of this State.

Preplant Nitromite to replace the nitrogen this year's crop carried out of the field. Put it down now ahead of planting and it'll go right to work. Nitromite will still be there when you plant — it doesn't leach out. Get Nitromite in the ground now . . . and watch your profits come up!

"Our electric air conditioner in its 8th year still cools our home to perfection!"

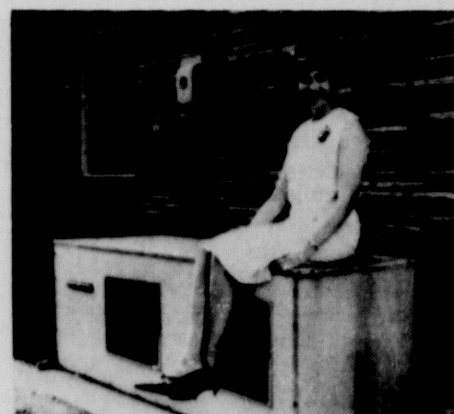

SAYS

Mrs. L. R. BORGER
AMARILLO, TEXAS

Mrs. Borger arranges wall decoration in the attractive den of her electrically-cooled home.

Mrs. Borger, her husband and their 4 children stay delightfully cool during the hot summer months—thanks to their electric air conditioner. "In addition to keeping us comfortable, our electric air conditioner also keeps humidity down on hot, muggy days," adds Mrs. Borger. You too can enjoy electric air conditioning—ask your Public Service manager why ELECTRIC air conditioning is best for you.

Electric air conditioners take up little space—look good, too. Mrs. Borger finds hers is just about chair height, uses just electricity and free air—requires no water.

Comfort ELECTRIC Cooling

Dancers Seek Single Members

Levi's and Lace, square dance club of Amarillo, is concentrating a membership drive in Canyon for adult singles according to Louise Knox.

Interested prospects are invited to attend the weekly meetings at the USO Club, 108 Polk, in Amarillo each Thursday evening at 8:30 p.m.

A new dance class will be started early this fall according to Sid Perkins, who will become the club's caller September 1. All persons interested in participating in the club should contact Louise Knox, HUR-3551, for further information.

PUBLIC NOTICE

Proposed CONSTITUTIONAL AMENDMENT NUMBER FOURTEEN ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1966.
HOUSE JOINT RESOLUTION NO. 38 proposing an amendment to Section 2, Article VI, Constitution of the State of Texas, to omit the requirement that members of the armed services vote only in the county in which they resided at the time of entering the service.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 2, Article VI, Constitution of the State of Texas, be amended by deleting the following language:

"Any member of the Armed Forces of the United States or component branches thereof, or in the military service of the United States, may vote only in the county in which he or she resided at the time of entering such service so long as he or she is a member of the Armed Forces."

The text of this Section is shown below, with a broken line through the sentence which is to be deleted:

"Section 2. Every person subject to none of the foregoing disqualifications who shall have attained the age of twenty-one (21) years and who shall be a citizen of the United States and who shall have resided in this State one (1) year next preceding an election and the last six (6) months within the district or county in which such person offers to vote, shall be deemed a qualified elector; and provided further, that any voter who is subject to pay a poll tax under the laws of the State of Texas shall have paid said tax before offering to vote at any election in this State and hold a receipt showing that said poll tax was paid before the first day of February next preceding such election. Or if said voter shall have lost or misplaced said tax receipt, he or she, as the case may be, shall be entitled to vote upon making affidavit before any officer authorized to administer oaths that such tax receipt has been lost. Such affidavit shall be made in writing and left with the judge of the election. The husband may pay the poll tax of his wife and receive the receipt therefor. In like man-

ner, the wife may pay the poll tax of her husband and receive the receipt therefor. The Legislature may authorize absentee voting. And this provision of the Constitution shall be self-enacting without the necessity of further legislation. Any member of the Armed Forces of the United States or component branches thereof, or in the military service of the United States, may vote only in the county in which he or she resided at the time of entering such service so long as he or she is a member of the Armed Forces."

Sec. 2. The only purpose of the amendment proposed in this Resolution is to make the aforesaid deletion. The adoption of this amendment shall not be deemed to have the effect of readopting the remainder of the Section, and if any other amendment to this Section, being for a different purpose, is adopted at an earlier election or at the same election, the adoption of this amendment shall not be construed as nullifying the change made by such other amendment.

Sec. 3. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, 1966, at which election all ballots shall have printed on them the following:

"FOR the Constitutional Amendment to allow members of the Armed Forces who are residents of Texas to vote."

"AGAINST the Constitutional Amendment to allow members of the Armed Forces who are residents of Texas to vote."

Sec. 4. The Governor of the State of Texas shall issue the necessary proclamation for the election and this amendment shall be published in the manner and for the length of time required by the Constitution and laws of this State.

Sec. 5. If the foregoing amendment is adopted, the proclamation of the Governor declaring the adoption of the amendment shall set forth the full text of the amended Section, as amended herein and by any other proposed amendment which is submitted by the 59th Legislature and which has been duly adopted prior to such proclamation.

Bowling News (Delayed)

In the Tuesday night men's Canyon Trio league, Team No. 4 rolled into first place by winning four points from Team No. 3. Leading individual scores rolled were Hal Brown, 820; Nig Carter, 805; Larry Pitt, 788, and Lynn Crabtree, 738.

In the Junior-Senior Boys league Monday night, Team No. 3 won four points to hold onto first place. The team is composed of David Widick and Randy Cook.

Team No. 4, Larry Pitt and Gee Smith, moved into second place by winning three points from Team No. 1.

Team No. 4 also rolled a new scratch high team game of 400 and high scratch series of 1,000.

High series for the week were Richard Brown, 548; Larry Pitt, 547; Randy Cook, 527; and Dale Westfall, 520.

In the Saturday morning youth league, Randall Burton moved within one point of Larry Crabtree for first place and Bill Anderson took three points from Larry Hunnicutt to move into third place.

Burton had the high game of 134 with a 249 series.

Laura Pitt and March Chestham rolled the high series of 445 at the Thursday afternoon session for the Lazy Lassies, ladies league.

Mary Anders had a 427 and Corrine Black had a 410 series.

Team No. 1 presently has the lead of the league for first place with a 18 1/2-13 1/2 record for the season. Coming in for a close second is Team No. 4 with a 17 1/2 win and 14 1/2 loss record. Team No. 6 holds a 16 - 16 record for third place in the league.

Injured On Motorcycle

An Amarillo youth was treated at Nebbett Hospital and Clinic and released following a motorcycle turn-over on Washington Street, three miles south of Texas 217.

The accident, that occurred at 5:15 p.m. Saturday, sent Jack Medley, 18, who lists his address as the Cherry Avenue Trailer Park in Amarillo, to the hospital here.

Investigating Texas Department of Public Safety officers said Medley told them he lost control of his motorcycle when he hit an air current.

tering such service so long as he or she is a member of the Armed Forces."

Sec. 2. That Section 4 of Article VI of the Constitution of the State of Texas be amended by changing the word "may" to "shall" in the last clause thereof and by deleting the words "in all cities containing a population of ten thousand inhabitants or more."

The text of this Section, as so amended, is shown below, with the deleted language marked through by a broken line and with the new language underscored:

"Section 4. In all elections by the people, the vote shall be by ballot, and the Legislature shall provide for the numbering of tickets and make such other regulations as may be necessary to detect and punish fraud and preserve the purity of the ballot box; and the Legislature may shall provide by law for the registration of all voters."

Sec. 3. If any other Amendment to Sections 2 or 4 of Article VI of the Constitution of the State of Texas, being for a different purpose, is adopted at an earlier election or at the same election, the adoption of this Amendment shall not be construed as nullifying any change made by such other Amendment.

Sec. 4. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of the state at an election to be held on the first Tuesday after the first Monday in November, 1966, at which election all ballots shall have printed thereon the following:

"FOR repealing the poll tax as a requirement for voting."

"AGAINST repealing the poll tax as a requirement for voting."

Sec. 5. If the foregoing Amendment is adopted, the proclamation of the Governor declaring the adoption of the Amendment shall set forth the full text of the amended Sections, as amended herein and as amended by any other proposed Amendment which is submitted by the 59th Legislature and which has been duly adopted prior to such proclamation.

Sec. 6. The Governor of the State of Texas shall issue the necessary proclamation for the election and this Amendment shall be published in the manner and for the length of time as required by the Constitution and laws of this State.

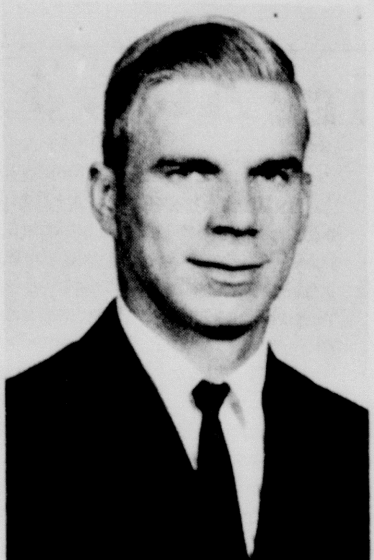

CJHS Has Nine New Teachers

Nine new teachers will be included in the Canyon Junior High School faculty. They include:

RICHARD WALLACE

Richard Wallace of Weleetka, Okla., who will be teaching science. Wallace received his BS degree from East Central State at Ada, Okla.

LEON MEISEL

Leon Meisel of Hooker, Okla., will teach social studies and science. He received his BS degree from Panhandle A&M in Oklahoma.

JANICE EUBANK

Janice Eubank of Tulsa will teach social studies. She received her BA degree from West Texas State University.

English will be taught by Mrs. Virginia Fultz of Borger. Mrs. Fultz received her BA degree from WTSU.

Also teaching English will be Mrs. Leatrice Garvin of San Angelo. She received her BS degree from West Texas State.

Mrs. Robbie Jo Henry of Canyon will teach English. She received a BS degree from West Texas State.

Physical education will be taught by Miss Polly McClain of Spearman. Miss McClain

VIRGINIA FULTZ

received her BS degree from West Texas State University. Denny Park of Abernathy will teach mathematics at CJHS.

LEATRICE GARVIN

He received his BA degree from Texas Tech.

Assistant coach and science teacher will be Eddie Reeves of Wellman. Reeves received his BA degree from WT.

ROBBIE JO HENRY

A 1960 automobile stolen from Stevenson's Used Car parking lot Thursday night was found abandoned in Amarillo Friday morning.

Amarillo Police found the automobile in the 1500 block of west 7th St. and it was returned to Canyon later Friday.

Officers here are currently searching for the person who took the vehicle.

EDDIE REEVES

Happy School Opens Monday

Students of the Happy Public Schools will begin classes on Monday, Aug. 29.

New students in the Happy Schools, both grade school and high school, will register today, Thursday.

Other high school students who signed registration cards last May will complete registration on Friday, between the

Scrimmage Set Saturday

First intra-squad scrimmage for the Canyon Eagle football team was played Saturday afternoon at Canyon High School.

This coming Saturday the Eagles will scrimmage Elk City, Okla., at 2 p.m. at the high school football field.

The following Saturday, Sept. 3, an afternoon scrimmage with Stinnett will be staged at Stinnett.

First game of the season is set for Sept. 7, 8 p.m. at Buffalo Bowl. The Eagles will meet the Phillips Blackhawks.

Methodist Promotion Is Sunday

Promotion Sunday for the First Methodist Church of Canyon will be observed Sunday, August 28.

All children will be promoted to their new classrooms during the Sunday School hour at 9:45 a.m.

During the 10 a.m. worship service, students entering the third grade will be presented with Bibles. Reserved seats for the students and their families will be located in a group at the front of the church.

Rev. Newton Starnes, pastor of the First Methodist Church, will return to the pulpit for services Sunday. Rev. Starnes has been away on an annual two-week summer encampment as chaplain aboard the USS Kitty Hawk.

Search For Auto Thief

A 1960 automobile stolen from Stevenson's Used Car parking lot Thursday night was found abandoned in Amarillo Friday morning.

Amarillo Police found the automobile in the 1500 block of west 7th St. and it was returned to Canyon later Friday.

Officers here are currently searching for the person who took the vehicle.

PUBLIC NOTICE

Proposed CONSTITUTIONAL AMENDMENT NUMBER THREE ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1966.

SENATE JOINT RESOLUTION NO. 39 proposing an amendment to Section 18, Article VII, Constitution of the State of Texas, to withdraw Arlington State College from participation in the Permanent University Fund.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 18, Article VII, Constitution of the State of Texas, be amended to read as follows:

"Section 18. For the purpose of constructing, equipping, or acquiring buildings or other permanent improvements for the Texas A & M University System, including Texas A & M University, Prairie View Agricultural and Mechanical College of Texas at Prairie View, Tarleton State College at Stephenville, Texas Agricultural Experiment Stations, Texas Agricultural Extension Service, Texas Engineering Experiment Station at College Station, Texas Engineering Extension Service at College Station, and the Texas Forest Service, the Board of Directors is hereby authorized to issue negotiable bonds or notes not to exceed a total amount of one-third (1/3) of twenty per cent (20%) of the value of the Permanent University Fund exclusive of real estate at the time of any issuance thereof; provided, however, no building or other permanent improvement shall be acquired or constructed hereunder for use by any institution of the University of Texas System, except at and for the use of the general academic institutions of said System, namely, The Main University of Texas at Austin, The University of Texas Medical Branch at Galveston, The University of Texas Southwestern Medical School at Dallas, The University of Texas Dental Branch at Houston, Texas Western College of The University of Texas at El Paso, The University of Texas M. D. Anderson Hospital and Tumor Institute at Houston, The University of Texas Postgraduate School of Medicine, The University of Texas School of Public Health, McDonald Observatory at Mount Locke, and the Marine Science Institute at Port Aransas, the Board of Regents of The University of Texas is hereby authorized to issue negotiable bonds and notes not to exceed a total amount of two-thirds (2/3) of twenty per cent (20%) of the value of the Permanent University Fund exclusive of real estate at the time of any issuance thereof; provided, however, no building or other permanent improvement shall be acquired or constructed hereunder for use by any institution of the University of Texas System, except at and for the use of the general academic institutions of said System, namely, The Main University of Texas at Austin, The University of Texas Medical Branch at Galveston, The University of Texas Southwestern Medical School at Dallas, The University of Texas Dental Branch at Houston, Texas Western College, without the prior approval of the Legislature or of such agency as may be authorized by the Legislature to grant such approval. Any bonds or notes issued hereunder shall be payable solely out of the income from the Permanent University Fund. Bonds or notes so issued shall mature serially or otherwise not more than thirty (30) years from their respective dates.

"The Texas A & M University System and all of the institutions constituting such System as hereinabove enumerated, and The University of Texas System, and all of the institutions constituting such System as hereinabove enumerated, shall not receive any General Revenue funds for the acquiring or constructing of buildings or other permanent improvements, except in case of fire, flood, storm, or earthquake occurring at any such institution, in which case

hours of 8:30 and 11:30 a.m.

The first general faculty meeting will be Friday at 2 p.m. and the annual faculty-school board dinner is set for Monday evening, Aug. 29, at 7:30 p.m.

School buses will run on the first day of school and students will be returned to their homes at noon according to Carroll Killingsworth.

School lunches will be 30 cents for students in grades 1-6 and 40 cents for students in grades 7-12 and adults. School insurance will also be available at \$5 for the "at-school" policy and \$12 for the 12-month policy.

PUBLIC NOTICE

Proposed CONSTITUTIONAL AMENDMENT NUMBER THIRTEEN ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1966.

HOUSE JOINT RESOLUTION NO. 69 proposing an Amendment to the Constitution of the State of Texas by adding a new Section, Section 63, to Article III; authorizing the Legislature to provide by statute for the accomplishment of governmental functions within any county having one million, two hundred thousand (1,200,000) or more inhabitants by the consolidation of the functions of government or by contract between any political subdivision(s) located within the county and any other political subdivision(s) located within the county or with the county; providing for an election and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That the Constitution of the State of Texas be amended by adding a new Section in Article III, to be known as Section 63, reading as follows:

"(1) The Legislature may by statute provide for the consolidation of some functions of government of any one or more political subdivisions comprising or located within any county in this State having one million, two hundred thousand (1,200,000) or more inhabitants. Any such statute shall require an election to be held within the political subdivisions affected thereby with approval by a majority of the voters in each of these political subdivisions, under such terms and conditions as the Legislature may require.

"(2) The county government, or any political subdivision(s) comprising or located therein, may contract one with another for the performance of governmental functions required or authorized by this Constitution or the Laws of this State."

Visitors in the L.E. Gum home and visiting with Mrs. R.H. Francis at Nebbett Hospital last week were Mrs. Clarence R. Morris and Marilyn of Perryton, Mrs. E.K. Walker of Hardesty, Okla., Mrs. Leeland Crank, Mrs. Lucille Apple and DeWyatt of Webb City, Mo., R.M. Francis of Plainview and Mrs. Milton Billingsley of Amarillo.

quired or authorized by this Constitution or the Laws of this State, under such terms and conditions as the Legislature may prescribe. The term 'governmental functions,' as it relates to counties, includes all duties, activities and operations of state-wide importance in which the county acts for the State, as well as of local importance, whether required or authorized by this Constitution or the Laws of this State."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State at an election to be held throughout the State on the first Tuesday after the first Monday in November, 1966, at which time the ballot shall have printed thereon the following:

"FOR the Amendment to the Constitution authorizing the Legislature to provide by statute for any county having one million, two hundred thousand (1,200,000) or more inhabitants to consolidate the functions of government and for such counties or any political subdivision(s) located therein to contract for the performance of functions of government."

"AGAINST the Amendment to the Constitution authorizing the Legislature to provide by statute for any county having one million, two hundred thousand (1,200,000) or more inhabitants to consolidate the functions of government and for such counties or any political subdivision(s) located therein to contract for the performance of functions of government."

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for the election and this Amendment shall be published in the manner and for the length of time as required by the Constitution and Laws of this State.

an appropriation in an amount sufficient to replace the uninsured loss so incurred may be made by the Legislature out of General Revenue funds.

"Said Boards are severally authorized to pledge the whole or any part of the respective interests of Texas A & M University and of The University of Texas in the income from the Permanent University Fund, as such interests are now apportioned by Chapter 42 of the Acts of the Regular Session of the 42nd Legislature of the State of Texas, for the purpose of securing the payment of the principal and interest of such bonds or notes. The Permanent University Fund may be invested in such bonds or notes.

"All bonds or notes issued pursuant hereto shall be approved by the Attorney General of Texas and when so approved shall be incontestable. This Amendment shall be self-enacting provided, however, that nothing herein shall be construed as impairing any obligation heretofore created by the issuance of any outstanding notes or bonds under this Section by the respective Boards prior to the adoption of this Amendment but any such outstanding notes or bonds shall be paid in full, both principal and interest, in accordance with the terms of such contracts."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held on the first Tuesday after the first Monday in November, 1966, at which election all ballots shall have printed on them the following:

"FOR the Constitutional Amendment withdrawing Arlington State College from participation in the Permanent University Fund."

"AGAINST the Constitutional Amendment withdrawing Arlington State College from participation in the Permanent University Fund."

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for the election and this Amendment shall be published in the manner and for the length of time as required by the constitution and laws of this state.

WTCC Discusses Water Problems

Water problems in the area were discussed at a recent meeting of the Panhandle City Managers Association, said Canyon City Manager Gary Gwyn, who attended the Pampa convention.

The group met jointly with the West Texas Chamber of Commerce and some ideas were

1956 Class Has Reunion

Some 30 graduates of Canyon High School from the class of 1956 attended a class reunion last Saturday evening at the all-purpose room of Rex-Reeves Elementary School.

Also attending the event were the class sponsors, T.L. Devin of Dumas and Claudia Neelley of Canyon, and the room parents, Mr. and Mrs. Floyd Tomlinson, Mr. and Mrs. E.H. Wright, and Mr. and Mrs. Ralph Ruthart.

discussed about what water problems are prevalent in south, central and east Texas and solutions proposed for research of water shortages in this region, Gwyn said.

The managers, from the top of the Panhandle to the Hale County line, discussed water conservation and heard Jack Springer, a representative of the WTCC; and J.W. Buchanan manager of the North Plains Water Conservation District explain the various phases of conserving water in the area.

Gwyn said mayors from the largest towns in the Panhandle would meet later this year to further discuss water shortages.

He said the Pampa group also discussed construction of a dam in Palo Duro Canyon State Park to provide for future water needs.

"All we could learn about water would be too little", said Mayor Paul Lindsey.

J.W. White, Pampa city manager, was host for the affair.

REPUBLICAN WOMEN map plans for the November elections throughout the State. Mrs. G. N. McDaniel, center, State vice chairman of the Republican Party of Texas, explains plans to Mrs. Audrey Bruse, County Treasurer candidate, and Mrs. Terry Thomas, president of the Amarillo Republican Women Club. Mrs. McDaniel of Borger spoke to the Republican Women of Canyon recently.

Going somewhere? Or been? The Canyon News wants to know about it--and so do its readers.

Lions To Sponsor Glaucoma Tests

The Canyon Lions Club will combine efforts and funds with seven Amarillo Lions Clubs to give free glaucoma eye disease tests Oct. 6. The Canyon group voted recently to participate with both funds and volunteer help for the tests at the Amarillo Health Center.

Don Davidson, formerly of

Boys Win Trip To Six Flags

Expense paid trips to Six Flags Over Texas in the Dallas-Fort Worth area have been won by three Canyon boys in a recent subscription drive.

Winners of the trip are Lesley and Dwight Davis, sons of Mr. and Mrs. Louie Davis, and Ronald Prichard, son of Mr. Mrs. W.E. Prichard.

The group left Wednesday and will be housed at the Six Flags Motel during their stay. They are expected to return to Canyon Saturday.

Sponsored by the Daily Oklahoman, the subscription drive consisted of a total of 60 subscriptions to the paper and Dwight, 12, received a transistor radio for acquiring his quota first.

Will Receive Degree Friday

Charles M. Smallwood, head of the school of Agriculture at West Texas State University, is among 51 doctoral candidates receiving degrees Friday evening at Texas A & M University, College Station.

He will receive his doctorate in Animal Science.

According to Registrar H.L. Heaton, 445 degrees will be awarded at the commencement exercises.

Canyon and now chairman of the glaucoma screening committee in Amarillo, said the free tests would be available for anyone over 40 years of age in Canyon, Amarillo and the surrounding territory.

Glaucoma, he said, cannot be cured but can be arrested and doctors recommend a check-up every two years.

"We will," he said, "accept all the people we can." For the tests last year, approximately 853 received tests.

The tests are painless and take about three minutes. While the people are waiting, they may watch an educational film on eye disease.

The project is also sponsored by the Bi-City County Health Unit in Amarillo and the Texas Society for the Prevention of Blindness.

The tests will begin at 7 p.m. and the health office is located at 411 Austin St.

September Horse Show Is Planned

A "horse show" is being planned for September 18 at the Randall County Sheriff's Posse arena, east of Canyon.

The RCSP will host the event which is set to begin at 10 a.m. with activities in both junior and senior and youth activity classes.

Nick McNair of Oklahoma will judge the senior and junior events in halter classes, cutting, roping, barrel racing, reining and western pleasure.

In youth activity classes, events will include halter, western pleasure, pole bending, barrel racing, roping and showmanship. Judge for the youth class will be Roland Moore of Tulsa.

GOP Vice-Chairman SS Class Speaks In Canyon

Mrs. G.N. McDaniel of Borger, State Vice-Chairman of the Republican Party of Texas, spoke to a meeting of Republican Women of Canyon recently at GOP headquarters.

Mrs. McDaniel's speech was entitled "1966, A Republican Year For Texas", and she explained campaigning, conducting meetings and planning future meetings. A discussion of the points she made was also held.

"We want to thank Mrs. McDaniel", said Mrs. E. J. Larson, president of the local organization. "We appreciate the guidelines she set for future

activities planned."

Mrs. Audrey Bruse, Republican candidate for county treasurer, discussed her plans for the November election.

President of the Amarillo Republican Women, Mrs. Terry Thomas, told the group of her organization's work and plans in that city.

Out of town guests were Gordon Marshall, chairman of Precinct 14; B. D. Dampf, chairman of Precinct 6; and Mrs. Tony Brown of Houston.

Mrs. Larson said the Canyon group will study reports of all the Republican nominees who will be on the November ballot.

A party for the Beginner's Department of Calvary Baptist Church was held Friday evening at the home of Mrs. Ray Bible.

Some 13 youths attended the event which featured games and refreshments of punch and ribbon sandwiches.

Assisting with the party were teachers from the department including Mrs. O.C. Free and Mrs. Mary Whitten.

Attending the event were Donnie and Danny Brown, Christy Mitchell and Brad Self, Marla Bible, Kelly West, Cindy Crist, David Wright, Danny Reckling, Tawnya Bryan, Shawn Chesshire, and Rusty Keller.

PUBLIC NOTICE

Proposed CONSTITUTIONAL AMENDMENT NUMBER NINE ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1966.

SENATE JOINT RESOLUTION NO. 26 proposing an Amendment to Sections 4 and 5 of Article V of the Constitution of the State of Texas to provide for a Court of Criminal Appeals of five members; prescribing their qualifications; elections, appointments, tenure of office and compensation; and prescribing the term of court of said court.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 4 of Article V of the Constitution of the State of Texas be amended so as to hereafter read as follows:

"Section 4. The Court of Criminal Appeals shall consist of five Judges, one of whom shall be Presiding Judge, a majority of whom shall constitute a quorum, and the concurrence of three Judges shall be necessary to a decision of said court. Said Judges shall have the same qualifications and receive the same salaries as the Associate Justices of the Supreme Court. They shall be elected by the qualified voters of the state at a general election and shall hold their offices for a term of six years. In case of a vacancy in the office of a Judge of the Court of Criminal Appeals, the Governor shall, with the advice and consent of the Senate, fill said vacancy by appointment until the next succeeding general election.

"The Judges of the Court of Criminal Appeals who may be in office at the time when this Amendment takes effect shall become Judges of the Court of Criminal Appeals and continue in office until the expiration of the term of office for which each has

been elected or appointed under the present Constitution and laws of this state, and until his successor shall have been elected and qualified.

"The two members of the Commission of Appeals in aid of the Court of Criminal Appeals who may be in office at the time when this Amendment takes effect shall become Judges of the Court of Criminal Appeals and shall hold their offices, one for a term of two years and the other for a term of four years, beginning the first day of January following the adoption of this Amendment and until their successors are elected and qualified. Said Judges shall by agreement or otherwise designate the incumbent for each of the terms mentioned.

"The Governor shall designate one of the five Judges as Presiding Judge and at the expiration of his term and each six years thereafter a Presiding Judge shall be elected."

Sec. 2. That Section 5 of the Article V of the Constitution of the State of Texas be amended so as to hereafter read as follows:

"Section 5. The Court of Criminal Appeals shall have appellate jurisdiction coextensive with the limits of the state in all criminal cases of whatever grade, with such exceptions and under such regulations as may be prescribed by law.

"The Court of Criminal Appeals and the Judges thereof shall have the power to issue the writ of habeas corpus, and under such regulations as may be prescribed by law, issue such writs as may be necessary to enforce its own jurisdiction. The Court of Criminal Appeals shall have power upon affidavit or otherwise to ascertain such matters of fact as may be necessary to the exercise of its jurisdiction.

The Court of Criminal Ap-

peals may sit for the transaction of business at any time from the first Monday in October to the last Saturday in September in each year, at the State Capitol. The Court of Criminal Appeals shall appoint a clerk of the court who shall give bond in such manner as is now or may hereafter be required by law, and who shall hold his office for a term of four years unless sooner removed by the court for good cause entered of record on the minutes of said court.

"The Clerk of the Court of Criminal Appeals who may be in office at the time when this Amendment takes effect shall continue in office for the term of his appointment."

Sec. 3. Said proposed Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at an election to be held throughout the state on the first Tuesday after the first Monday in November, A.D. 1966, at which election each voter opposing said proposed Amendment shall scratch off the ballot with a pen or pencil the following words printed on said ballot:

"FOR the Amendment to the State Constitution providing for a Court of Criminal Appeals of five members, and prescribing the term of said court."

Each voter favoring said proposed Amendment shall scratch off the ballot in the same manner the following words printed on said ballot: "AGAINST the Amendment to the State Constitution providing for a Court of Criminal Appeals of five members, and prescribing the term of said court."

If it appears from the returns of said election that a majority of the votes cast are in favor of said Amendment the same shall become a part of the Constitution of this state.

Sec. 4. The Governor shall issue the necessary proclamation for said election and have same published and said election shall be held as provided by the Constitution and laws of this state.

PUBLIC NOTICE

Proposed CONSTITUTIONAL AMENDMENT NUMBER FIVE ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1966.

SENATE JOINT RESOLUTION NO. 4 proposing an Amendment to the Constitution of Texas by adding to Section 62 of Article XVI a new subsection to be denominated subsection (c), of said Section 62; authorizing the Legislature to enact laws establishing, subject to the limitations stated, a State-wide System of Retirement, Disability and Death Compensation benefits for the officers and employees of the counties and other political subdivisions of the state, and of the political subdivisions of any county.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 62 of Article XVI of the Constitution of the State of Texas be amended by adding thereto a subsection (c) which shall read as follows:

"(c) The Texas Legislature is authorized to enact for a System of Retirement, Disability and Death Benefits for all the officers and employees of a county or other political subdivision of the state, or a political subdivision of a county; providing that when the Texas Legislature has passed the necessary enabling legislation pursuant to the Constitutional authorization, then the governing body of the county, or other political subdivision of the state, or political subdivision of the county shall make the determination as to whether a particular county or other political subdivision of the state, or political subdivision of the county participates in the Retirement, Disability and Death Benefit System authorized by this Constitutional Amendment, or whether they participate in a System under the provisions of subsection (b) of Section 62 of Article XVI of the Texas Constitution as the same is herein amended."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at the General Election in November, 1966, at which all ballots shall have printed thereon:

"FOR the Constitutional Amendment authorizing the Texas Legislature to establish a State-wide Cooperative System of Retirement, Disability and Death Benefits for the officials and employees of the various counties or other political subdivisions of the state, or

vide for a voluntary merger into the System herein authorized by this Constitutional Amendment of any System of Retirement, Disability and Death Compensation Benefits which may now exist or that may hereafter be established under subsection (b) of Section 62 of Article XVI of the Texas Constitution; providing further that the Texas Legislature in the enabling statute as to the amount of money that will be contributed by the county or other political subdivision of the state or political subdivision of the county to the State-wide System of Retirement, Disability and Death Benefits, and the Legislature shall further provide that the amount of money contributed by the county or other political subdivision of the state or political subdivision of the county shall equal the amount paid for the same purpose from the income of each officer and employee covered by this State-wide System.

"It is the further intention of the Legislature, in submitting this Constitutional Amendment, that the officers and employees of the county or other political subdivision of the state or political subdivision of a county may be included in those systems regardless of whether the county or other political subdivision of the state or political subdivision of the county participates in the Retirement, Disability and Death Benefit System authorized by this Constitutional Amendment, or whether they participate in a System under the provisions of subsection (b) of Section 62 of Article XVI of the Texas Constitution as the same is herein amended."

Sec. 3. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at the General Election in November, 1966, at which all ballots shall have printed thereon:

"FOR the Constitutional Amendment authorizing the Texas Legislature to establish a State-wide Cooperative System of Retirement, Disability and Death Benefits for the officials and employees of the various counties or other political subdivisions of the state, or

political subdivisions of a county; authorizing the Legislature to provide for a voluntary merger into the system authorized by this Amendment by those officers and employees covered by the provisions of subsection (b) of Section 62 of Article XVI of the Texas Constitution as now existing or may hereafter be established; providing that costs of this System shall be borne by the counties and other political subdivisions of the state and political subdivisions of the county electing to participate therein and the officers and employees covered by the System; and forbidding the Legislature from making any appropriations for the operation of this System."

"AGAINST the Constitutional Amendment authorizing the Texas Legislature to establish a State-wide Cooperative System of Retirement, Disability and Death Benefits for the officials and employees of the various counties or other political subdivisions of the state, or political subdivisions of a county; authorizing the Legislature to provide for a voluntary merger into the system authorized by this Amendment by those officers and employees covered by the provisions of subsection (b) of Section 62 of Article XVI of the Texas Constitution as now existing or may hereafter be established; providing that costs of this System shall be borne by the counties and other political subdivisions of the state and political subdivisions of the county electing to participate therein and the officers and employees covered by the System; and forbidding the Legislature from making any appropriations for the operation of this System."

If it appears from the returns of said election that a majority of the votes have been cast in favor of such amendment, the same shall become a part of the Constitution of the State of Texas.

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for said election and have notice of said proposed Amendment and of said election published as required by the Constitution of Texas, and laws of this state.

PUBLIC NOTICE

Proposed CONSTITUTIONAL AMENDMENT NUMBER TWELVE ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1966.

HOUSE JOINT RESOLUTION NO. 48 proposing an Amendment to Article IX of the Constitution of the State of Texas, providing the method and manner for dissolution of hospital districts created under Article IX of the Constitution.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 9, Article IX of the Constitution of the State of Texas be amended to read as follows:

"Section 9. The Legislature may by law provide for the creation, establishment, maintenance and operation of hospital districts composed of one or more counties or all or any part of one or more counties with power to issue bonds for the purchase, construction, acquisition, repair or renovation of buildings and improvements and equipping same, for hospital purposes; providing for the transfer to the hospital district of the title to any land, buildings, improvements and equipment located wholly within the district which may be jointly or separately owned by any city, town or county, providing that any district so created shall assume full responsibility for providing medical and hospital care for its needy inhabitants and assume the outstanding indebtedness incurred by cities, towns and counties for hospital purposes prior to the creation of the district, if same are located wholly within its boundaries, and a pro rata portion of such indebtedness based upon the then last approved tax assessment rolls of the included cities, towns and counties if less than all

the territory thereof is included within the district boundaries; providing that after its creation no other municipality or political subdivision shall have the power to levy taxes or issue bonds or other obligations for hospital purposes or for providing medical care within the boundaries of the district; providing for the levy of annual taxes at a rate not to exceed seventy-five cents (\$0.75) on the One Hundred Dollar valuation of all taxable property within such district for the purpose of meeting the requirements of the district's bonds, the indebtedness assumed by it and its maintenance and operating expenses, providing that such district shall not be created or such tax authorized unless approved by a majority of the qualified property taxpayers electors thereof voting at an election called for the purpose; and providing further that the support and maintenance of the district's hospital system shall never become a charge against or obligation of the State of Texas nor shall any direct appropriation be made by the Legislature for the construction, maintenance or improvement of any of the facilities of such district.

Provided, however, that no district shall be created except by act of the Legislature and then only after thirty (30) days' public notice to the district affected, and in no event may the Legislature provide for a district to be created without the affirmative vote of a majority of the taxpaying voters in the district concerned.

The Legislature may also provide for the dissolution of hospital districts provided that a process is afforded by statute for:

(1) determining the desire of a majority of the qualified voters within the district to dissolve it;

(2) disposing of or transferring the assets, if any, of the district; and

(3) satisfying the debts and bond obligations, if any, of the district, in such manner as to protect the interest of the citizens within the district, including their collective property rights in the assets and property of the district, provided, however, that any grant from federal funds, however dispensed, shall be considered an obligation to be repaid in satisfaction and provided that no election to dissolve shall be held more often than once each year. In such connection, the statute shall provide against disposal or transfer of the assets of the district except for due compensation unless such assets are transferred to another governmental agency, such as a county, embracing such district and using such transferred assets in such a way as to benefit citizens formerly within the district.

Sec. 2. The foregoing constitutional amendment shall be submitted to a vote of the qualified electors of this State at an election to be held on the first Tuesday after the first Monday in November, 1966, at which election all ballots shall have printed thereon the following:

"FOR the constitutional amendment providing the method and manner for dissolution of hospital districts."

"AGAINST the constitutional amendment providing the method and manner for dissolution of hospital districts."

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for the election and this amendment shall be published in the manner and for the length of time as required by the Constitution and laws of this State.

PUBLIC NOTICE

Proposed CONSTITUTIONAL AMENDMENT NUMBER FIFTEEN ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1966.

SENATE JOINT RESOLUTION NO. 33 proposing an Amendment to Section 6, Article XVI, Constitution of the State of Texas, to authorize state participation in programs financed with funds from private or federal sources and conducted by local level or other private, nonsectarian associations, groups, and non-profit organizations for establishing and equipping facilities for assisting the blind, crippled, or otherwise physically or mentally handicapped in becoming gainfully employed, for their rehabilitation or restoration, or for providing other services essential for the better care and treatment of the handicapped.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Section 6, Article XVI, Constitution of the State of Texas, be amended to read as follows:

"Section 6. (a) No appropriation for private or individual purposes shall be made, unless authorized by this Constitution. A regular statement, under oath, and an account of the receipts and expenditures of all public money shall be published annually, in such manner as shall be prescribed by law.

"(b) State agencies charged with the responsibility of providing services to those who are blind, crippled, or otherwise physically or mentally handicapped may accept money from private or federal sources, designated by the private or federal source as money to be used in and establishing and equipping facilities for assisting those who are blind, crippled, or otherwise physically or mentally handicapped in becoming gainfully employed, in rehabilitating and restoring the handi-

capped, and in providing other services determined by the state agency to be essential for the better care and treatment of the handicapped. Money accepted under this subsection is state money. State agencies may spend money accepted under this subsection, and no other money, for specific programs and projects to be conducted by local level or other private, nonsectarian associations, groups, and non-profit organizations, in establishing and equipping facilities for assisting those who are blind, crippled, or otherwise physically or mentally handicapped in becoming gainfully employed, in rehabilitating and restoring the handicapped, and in providing other services determined by the state agency to be essential for the better care or treatment of the handicapped.

"The state agencies may deposit money accepted under this subsection either in the state treasury or in other secure depositories. The money may not be expended for any purpose other than the purpose for which it was given. Notwithstanding any other provision of this Constitution, the state agencies may expend money accepted under this subsection without the necessity of an appropriation, unless the Legislature, by law, requires that the money be expended only on appropriation. The Legislature may prohibit state agencies from accepting money under this subsection or may regulate the amount of money accepted, the way the acceptance and expenditure of the money is administered, and the purposes for which the state agencies may expend the money. Money accepted under this subsection for a purpose prohibited by the Legislature shall be returned to the entity that gave the money.

"This subsection does not prohibit state agencies au-

thorized to render services to the handicapped from contracting with privately-owned or local facilities for necessary and essential services, subject to such conditions, standards, and procedures as may be prescribed by law."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified voters of this state at an election to be held on the first Tuesday after the first Monday in November, 1966, at which election all ballots shall have printed on them the following:

"FOR the Constitutional Amendment authorizing assistance to the blind, crippled, or otherwise physically or mentally handicapped, in the form of grants of public funds obtained from private or federal sources only, to local level or other private, nonsectarian associations, groups, and non-profit organizations for establishing and equipping facilities to assist the handicapped in becoming gainfully employed, for their rehabilitation or restoration, or for providing other services essential for the better care and treatment of the handicapped."

"AGAINST the Constitutional Amendment authorizing assistance to the blind, crippled, or otherwise physically or mentally handicapped, in the form of grants of public funds, obtained from private or federal sources only, to local level or other private, nonsectarian associations, groups, and non-profit organizations for establishing and equipping facilities to assist the handicapped in becoming gainfully employed, for their rehabilitation or restoration, or for providing other services essential for the better care and treatment of the handicapped."

Sec. 3. The Governor of the State of Texas shall issue the necessary proclamation for the election and this Amendment shall be published in the manner and for the length of time as required by the Constitution and laws of this state.

PUBLIC NOTICE

Proposed CONSTITUTIONAL AMENDMENT NUMBER SIX ON THE BALLOT

PROPOSED CONSTITUTIONAL AMENDMENT TO BE VOTED ON AT AN ELECTION TO BE HELD ON NOVEMBER 8, 1966.

HOUSE JOINT RESOLUTION NO. 37 proposing an Amendment to Article III of the Constitution of the State of Texas by adding thereto a new section, Section 51-d, so as to provide for the payment of assistance by the State of Texas to the surviving spouse and minor children of law enforcement officers, custodial personnel of the Texas Department of Corrections or full-paid firemen who suffer violent death in the course of the performance of their duties as law enforcement officers, custodial personnel of the Texas Department of Corrections or as full-paid firemen; providing for the necessary election, form of ballot, proclamation, and publication.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article III, Constitution of the State of Texas, be amended by adding Section 51-d to read as follows:

"Section 51-d. The Legislature shall have the power, by general law, to provide for the payment of assistance by the State of Texas to the surviving spouse and minor children of law enforcement officers, custodial personnel of the Texas Department of Corrections or of full-paid firemen who suffer violent death in the course of the performance of their duties as law enforcement officers, custodial personnel of the Texas Department of Corrections or as full-paid firemen."

Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this State on the first Tuesday after the first Monday in November,

1966, at which election all ballots shall have printed thereon the following:

"FOR the Constitutional Amendment providing for the payment of assistance by the State of Texas to the surviving spouse and minor children of law enforcement officers, custodial personnel of the Texas Department of Corrections or full-paid firemen who suffer violent death in the course of the performance of their duties as law enforcement officers, custodial personnel of the Texas Department of Corrections or as full-paid firemen."

"AGAINST the Constitutional Amendment providing for the payment of assistance by the State of Texas to the surviving spouse and minor children of law enforcement officers, custodial personnel of the Texas Department of Corrections or full-paid firemen who suffer violent death in the course of the performance of their duties as law enforcement officers, custodial personnel of the Texas Department of Corrections or as full-paid firemen."

Each voter shall mark out one of said clauses on the ballot, leaving the one expressing his vote on the proposed Amendment. In counties using voting machines, the above provision for voting, for and against this Constitutional Amendment, shall be placed on said machine in such a manner that each voter may vote on such machines for or against the Constitutional Amendment.

Sec. 3. The Governor of Texas shall issue the necessary proclamation for the election and this Amendment shall be published in the manner and for the length of time required by the Constitution and laws of this State.
